

UPMC Italy

is issuing a call for applications for the following *fixed-term* position:

1 Interventional Cardiology Fellow (Ref. Fellow CarIn/17 TD)

UPMC Italy offers professional opportunities in an international and multicultural setting at ISMETT, Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione, one of the most innovative and technologically-advanced Italian facilities, managed by the University of Pittsburgh Medical Center (UPMC) and Civic hospital. In September 2014, ISMETT was acknowledged as Istituto di Ricovero e Cura a Carattere Scientifico (IRCCS) in the area of "End-stage organ failure treatment and research."

We are seeking young newly-specialized physicians interested in embarking on a fellowship program in the field of Interventional Cardiology and Hemodynamics. The fellowship consists in a two-year contract and provides for an initial evaluation for admission and periodical evaluations.

Requisites:

- Degree in Medicine and Surgery or equivalent title obtained from a foreign university, recognized in Italy.
- Postgraduate diploma in Cardiology or equivalent title, already obtained, or in any case to be obtained within the current year, or no later than July 31, 2017.
- Enrollment in the professional board.

Preferred qualifications:

- Professional or training experience in a Interventional Cardiology laboratory in Italy or abroad.
- Experience in right catheterization and calculation of relevant hemodynamic parameters, coronarography and coronary angioplasty procedures, also urgent.
- Scientific production rated with the H-index.

Good English proficiency, knowledge of main computer applications, availability to spend training periods abroad, high motivation, flexibility, stress management, problem-solving skills, and good interpersonal, communication, and teamwork skills are also instrumental to the role.

The workplace is Palermo.

UPMC Italy reserves any and wider sole right of discretion in assessing the candidates and the eligibility of applications. The Company also reserves the right, under penalty of exclusion from the selection process, to request applicants at any time to document their possession of the requisites listed in the call for applications.

Only applicants who are not in the conditions defined by paragraph 16-ter, art. 53 of legislative decree 165/2001 and subsequent modifications and amendments can participate in this selection. (General Rules Governing the Work of Public Administrations - <http://www.upmcitaly.it/wp-content/uploads/2017/01/Art-ENG.pdf>)

Upon submitting the application, applicants will be requested to state their possession of all the requisites listed under this call for applications by means of a self-declaration as provided for by art. 46 of presidential decree 445/2000.

Should a preliminary verification highlight any discrepancy with the statement and self-declaration of the applicant, hiring will not take place.

Candidates of either sex (Law 903/77) are requested to submit their on-line application stating the reference code at <http://selezioni.upmcitaly.it> authorizing personal data processing (legislative decree 196/2003) and attaching their CV in Italian and English, a motivation letter, and a list of scientific publications.

All communications from UPMC Italy will be sent to the e-mail address indicated by the candidate upon submitting his/her application.

The deadline to submit applications is **July 14th 2017**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it>) and that include a CV will be taken into consideration.

Personal data included in the CV will be processed by UPMC Italy S.r.l. and ISMETT S.r.l. for selections for this or other similar positions. Candidates are requested to not include sensitive data (e.g. health status) unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under Decree 196/2003, are available at www.upmcitaly.it and www.ismett.edu, in the Job Opportunity sections.
