

UPMC ITALY

Call for applications for the following position:

Medical Device Expert Pharmacist (Ref. FEDM/17)

UPMC Italy offers professional opportunities in an international and multicultural setting at ISMETT, Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione, one of the most innovative and technologically-advanced Italian facilities, managed by the University of Pittsburgh Medical Center (UPMC) and Civic hospital. In September 2014, ISMETT was acknowledged as Istituto di Ricovero e Cura a Carattere Scientifico (IRCCS) in the area of "End-stage organ failure treatment and research".

The Medical Device Expert Pharmacist is responsible for the analysis, planning and the qualitative and quantitative assessment of medical device needs, and for the preparation of the technical documentation for tendering and contracting procedures. He/she provides also guidelines on the use, storage and management of medical devices to monitor consumption and rationalize expenditure.

Requisites:

- University Degree in Pharmacy or equivalent title
- Specialization in hospital pharmacy or equivalent
- Pharmacist licensure
- Enrollment in the Board of Pharmacists
- Documented work experience in a hospital setting of at least 3 years in the field of medical devices

The ideal candidate has a good knowledge of English and a good knowledge of computer applications, as well as a good Knowledge of Italian laws and regulations on hospital pharmacy, including medical devices.

Good communication and interpersonal skills, good problem solving and organizational skills, good time and stress management skills, confidentiality, critical thinking, teamwork, and flexibility are also instrumental to the role.

Only applicants who meet the following requirements will be considered:

- applicants who are not in the conditions defined by paragraph 16-ter, art. 53 of legislative decree 165/2001 and subsequent modifications and amendments (*General Rules Governing the Work of Public Administration* - <http://www.upmcitaly.it/wp-content/uploads/2017/01/Art.pdf>)

- applicants who are not, neither personally nor with reference to his or her relatives (up to the fourth degree of kinship) and relatives-in-law (up to the second degree), in any situation of conflict of interest with the Company - <http://www.upmcitaly.it/wp-content/uploads/2017/01/confitto-di-interesse.pdf>

- applicants who do not have, neither personally nor with reference to his or her relatives (up to the fourth degree of kinship) and relatives-in-law (up to the second degree), any criminal records or pending charges for the offenses listed in the following link - <http://www.upmcitaly.it/wp-content/uploads/2017/01/carichi-pendenti.pdf>

Upon submitting the application, applicants will be requested to state that they possess the requirements listed under this call for applications by means of self-declaration as provided for by art. 46, presidential decree 445/200.

Should any preliminary verification demonstrate any discrepancy with the statement and self-certification of the applicant, hiring will not take place.

The workplace is Palermo.

UPMC Italy reserves any and wider sole right of discretion in assessing the candidates and the eligibility of the applications. The Company reserves the right, under penalty of exclusion from the selection process to ask applicants at any time to document their possession of the requirements listed in the call for applications.

Candidates of either sexes (Law 903/77) are requested to submit their on-line application stating the reference code at <http://selezioni.upmcitaly.it> enclosing an authorization to process personal data (legislative decree 196/2003), and attaching the CV and a motivation letter.

All communications from UPMC Italy will be e-mailed to the address stated by the candidate upon submitting his/her application.

The deadline to submit applications is **September 29, 2017**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it>) and that include a CV will be taken into consideration.

Personal data included in the CV will be processed by UPMC Italy and ISMETT for selections for this or other similar positions. Candidates are requested to not include sensitive data (e.g. health status) unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under Decree 196/2003, are available at www.upmcitaly.it and www.ismett.edu in the Job Opportunities section.
