

ISMETT

is issuing a call for applications for the following fixed-term position:

1 Cardiac Sonographer (Ref. SC/17 TD)

Under the supervision of the Principle Investigator (PI) of the "Regenerative medicine in pulmonary arterial hypertension: joining stem cells secretome and bio-scaffolds to support the right ventricle" project, of the head of the Department for the Treatment and Study of Cardiothoracic Diseases and Cardiothoracic Transplantation, and of the echocardiography cardiologist, the Cardiac Sonographer performs transthoracic echocardiography test complete of all standard projections, and identifies the main cardiac diseases.

Requisites:

All candidates will be expected to possess the following requisites at the time of their application:

- Degree in Nursing or Technical Health Professions.
- Master in Echocardiography.

Preferred qualifications:

- Degree as a Medical Radiology Technician.
- Documented experience in echocardiography in small animals for research purposes.
- Documented experience in clinical or translational research projects.

The ideal candidate has a good knowledge of English and main computer applications. Proactivity, flexibility, organizational skills, time management, and problem solving skills complete the profile.

Only applicants who are not in the conditions defined under paragraph 16-term, article 53, of legislative decree 165/2001 and subsequent modifications and amendments may participate in this selection (General Rules Governing the Work of Public Administrations, see [Note esplicative all'Art. 53 comma 16-ter D.Lgs. Nr. 1652001](#)).

The workplace is Palermo.

Additional info on this selection will be posted in the "Job Opportunities" section of www.ismet.edu.

The date and location of the tests and/or interviews will be published on the above-mentioned website. Candidates will be responsible for accessing this information from the website. Candidates failing to show up for the tests and/or interviews on the scheduled day, time, and location will be excluded from the selection whatever the cause of their absence, even if beyond their control or due to causes not ascribable to them.

ISMETT reserves any and wider sole right of discretion in assessing the qualifications held by candidates and the suitability of each candidate to cover the position of this call for applications.

After reading the privacy statement and authorizing the processing of their personal data, candidates of either sex (Legislative decree 196/2003) are requested to submit their on-line application stating the reference code at <http://selezioni.ismett.edu>. When filling out the on-line application candidates will be requested to attach their CV. At the end of the on-line process, applicants will be requested to state, by means of self-declaration, that they possess the requirements listed under this call for applications.

The deadline to submit the applications is **december 19, 2017**.

Please note that only applications submitted on-line (<http://selezioni.ismett.edu/>) will be taken into consideration.

Also, please note that selection records are confidential documents for internal use only, and may not be disclosed.

All applicants are obliged, at any time during the selection process, and if requested by ISMETT, to provide the documentation certifying the stated possession of the requisites within the requested deadline. Should any preliminary verification show a discrepancy with any statement of the applicant, the latter will be excluded from the selection process and any negotiation deemed permanently suspended.

ISMETT reserves the right to revoke this selection if the reasons which led the company to start this process no longer exist, or due to technical, organizational or financial reasons, which would make this selection no longer compliant with the company's interests.

Personal data included in the CV will be processed by ISMETT and UPMC Italy or by associated companies for selections for this or other similar positions. Candidates are requested to not include sensitive data (e.g. health status) unless this is strictly necessary. Detailed information on data storage times and rights recognized under Decree 196/2003 are available at www.ismett.edu and www.upmcitaly.it in the "Job Opportunities" section.
