

UPMC Italy

is issuing a call for applications for the following fixed-term position:

1 Clinical Psychology Fellow (Ref. FellowPsico/18 TD)

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS-ISMETT, Istituto Mediterraneo per i Trapianti e le Terapie ad Alta Specializzazione S.r.l., one of the most state-of-the-art and technologically-advanced Italian facilities, managed by the University of Pittsburgh Medical Center (UPMC) and Civic hospital.

The fellowship consists in a two-year contract and provides for an initial evaluation for admission and periodical evaluations.

The Clinical Psychology Fellow works under the direction of the Director of Clinical Psychology Service, and cooperates with OPC and inpatient psychological consults, and administration of clinical tests.

The selected candidate will provide psychological support to the patients and their families, and, if necessary, will start short-term psychotherapy. He or she provides also psychological assessment to transplant candidates, and guarantees the privacy of all the people involved in the transplantation process. The candidate will also participate in the research activities and quality projects of the institute in the scope of his or her subject.

Requisites:

- Specialty/Master's Degree (new system) or university degree (old system) in Psychology. Qualifications must be recognized in Italy.
- Psychotherapy postgraduate diploma (recognized in Italy) or equivalent title.
- Enrolled in the professional register.

The ideal candidate has documented experience as hospital psychologist, in Italy or abroad, conducted research in psycho-oncology and/or clinical psychology for organ transplantation, and has good knowledge of psychological testing tools. Good knowledge of written and spoken English, and main computer systems.

Preferential qualifications:

- Scientific production rated with the H-index.

High motivation, flexibility, stress management, problem-solving skills, priority and objective identification skills, and good interpersonal, communication and teamwork skills complete the profile.

The workplace is Palermo.

UPMC Italy reserves any and wider sole right of discretion in assessing the candidates and the eligibility of applications.

Only applicants who are not in the conditions defined by paragraph 16-ter, art. 53 of legislative decree 165/2001 and subsequent modifications and amendments can participate in this selection. (General Rules Governing the Work of Public Administrations - <http://www.upmcitaly.it/wp-content/uploads/2017/01/Art.pdf>).

Candidates of both sexes (Law 903/77) are requested to submit their on-line application stating the reference code at <http://selezioni.upmcitaly.it> enclosing an authorization to process personal data (Legislative Decree 196/2003) and attaching their CV, a motivation letter and a list of the scientific publications. At the end of the process applicants will be requested to state, by means of self-declaration, that they possess the requirements listed under this call for applications.

The date and location of the tests and/or interviews will be promptly published on www.ismett.edu, in the **Career at ISMETT - Work with UPMC Italy** section.

Each candidate will be responsible for accessing this website for this information.

Candidates failing to appear for the tests and/or interviews on the scheduled day, at the scheduled time and location, will be excluded from the selection whatever the cause of their absence, even if beyond their control, and due to causes not ascribable to them.

The deadline to submit the applications is **january 22, 2018**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it>) and that include a CV will be taken into consideration.

All applicants are obliged, at any time during the selection process and if requested by UPMC Italy, to provide the documentation certifying the stated possession of the requisites. Should any preliminary verification show a discrepancy with any statement or with the Self-Declaration Form submitted by the applicant, the latter will be excluded from the selection process and any negotiation deemed permanently suspended.

Personal data included in the CV will be processed by UPMC Italy S.r.l. and ISMETT S.r.l. for this or other similar selections. Candidates are requested not to include sensitive data (e.g., health status) unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under Decree 196/2003, are available at www.upmcitaly.it and www.ismett.edu and in the job opportunities section.
