

UPMC Italy

Call for applications for the following
Freelance Consulting Contract:

Cardiologist (Ref. CliniCard/18)

We are seeking specialized cardiologists interested in providing their professional consulting in the areas of Clinical Cardiology and Cardiac Rehabilitation at UPMC Institute for Health Chianciano Terme (Siena).

The Cardiologist will work with the Director of Cardiology and Cardiac Rehabilitation, and the UPMC Italy Chief Operating Officer in clinical activities, diagnostic tests, experimentation, and research.

Requisites:

- Degree in Medicine and Surgery recognized in Italy or equivalent title pursuant to the law.
- Postgraduate diploma in Cardiology recognized in Italy or equivalent title pursuant to the law.
- Enrollment in the Italian Board of Physicians.

The ideal candidate has good English proficiency, strong inclination for scientific and research activities, and knowledge of the main computer applications.

Preferred qualifications:

- Experience with experimentation and research.
- Training or professional experience in Cardiac Rehabilitation.
- Attendance at training programs related to this position.
- Scientific production rated with the H-index.

Strong motivation, flexibility, stress management, problem solving, ability to identify priorities and goals, teamwork, and interpersonal skills complete the profile.

Only applicants who are not in the conditions defined by paragraph 16-ter Art.53 of legislative decree N. 165/2001 and subsequent modifications and amendments can apply for this selection (General Rules Governing the Work of Public Administrations <http://www.upmcitaly.it/wp-content/uploads/2017/01/Art.pdf>).

Following an initial evaluation of the CVs, only candidates considered suitable for the position will be called for an interview. UPMC Italy reserves any and wider sole right of discretion in assessing the qualifications held by candidates and the suitability of each candidate.

VAT registration # is necessary for the assignment of the task.

Professional services will be provided on behalf of **Chianciano Terme (SI)** of UPMC Italy.

All communications on this selection will be e-mailed at the address stated by the candidate upon submitting his/her application.

After reading the privacy statement and authorizing the processing of their personal data, candidates of either sex (Legislative decree 196/2003) are requested to submit their on-line application stating the reference code at <http://selezioni.upmcitaly.it>. When filling out the on-line application form, candidates will be requested to attach their CV. Candidates are also requested to enclose a motivation letter and a list of their scientific publications. At the end of the on-line process, applicants will be requested to state, by means of self-declaration, that they possess the requirements listed under this call for applications.

The deadline to submit applications is **February 28th 2018**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it>) and that include a CV will be taken into consideration.

UPMC Italy reserves the right to revoke this selection if the reasons that led the company to start this process no longer exist, or due to technical, organizational or financial reasons, which would make this selection no longer compliant with the company's interests.

Personal data included in the CV will be processed by ISMETT S.r.l. and UPMC Italy S.r.l. or associated companies for selections for this or other similar positions. Candidates are requested not to include sensitive data (e.g., health status) unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under Decree 196/2003, are available at www.upmcitaly.it and www.ismett.edu in the Job Opportunities section.
