

UPMC Italy

is issuing a call for applications for the following
fixed-term position:

Anesthesia Fellow (Ref. Fellow Anes/18 TD)

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad alta specializzazione), one of the most innovative and technologically-advanced Italian health facilities, managed by UPMC (University of Pittsburgh Medical Center), with Civico Hospital, and Ri.MED Foundation.

We are seeking young newly-specialized physicians interested in a fellowship program in anesthesia and intensive care.

The fellowship consists in a two-year contract, and provides for an initial evaluation upon recruitment, and periodic evaluations.

Requisites:

- Degree in Medicine and Surgery recognized in Italy or legally equivalent degree.
- Postgraduate diploma in Anesthesia and Critical Care, recognized in Italy, or legally equivalent degree earned within the current academic year and in any case not beyond September 30, 2018.
- Enrollment in the professional board.

Preferred qualifications:

- Training/professional experience in intensive care or operating room unit in Italy or abroad.
- Experiences in other organ transplant centers.
- Scientific publications with an H-index score.

Good English proficiency, knowledge of main computer applications, availability to spend training periods abroad, high motivation, flexibility, stress management, problem-solving, good interpersonal, communication, and teamwork skills complete the role.

The workplace is **Palermo**.

UPMC Italy reserves all rights of discretion when assessing applicants and the validity of applications.

Only applicants who are not excluded under the provisions articulated in Art.53, para. 16-ter, Legislative decree 165/2001 as amended and supplemented (General rules and regulations for employees of public administrations), can participate in this selection <http://www.upmcitaly.it/wp-content/uploads/2017/01/Art.pdf>.

After reading the privacy statement and authorizing the processing of their personal data, applicants of either sex (Law 196/2003) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it>, indicating the reference code. When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to enclose a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will be requested to state, by means of self-declaration, that they possess the requirements listed under this call for applications.

All communications from UPMC Italy will be sent via e-mail to the address given by the applicant upon submission of the application.

The deadline to submit applications is **March 31, 2018**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it>) and accompanied by a CV will be taken into consideration.

Under penalty of exclusion, all applicants are obliged to provide the documentation demonstrating the possession of the requisites stated in the self-certification, whenever UPMC Italy requires it during the selection process and within the fixed mandatory deadline. Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

Personal data included in the CV will be processed by UPMC Italy S.r.l. and IRCCS ISMETT S.r.l. for selections referring to this or other similar positions. Applicants are requested not to include sensitive data (e.g., health status), unless strictly necessary. Detailed information with reference to data storage retention and rights provided for by Legislative decree 196/2003, are available at www.upmcitaly.it and www.ismett.edu in the Job Opportunities section.
