

UPMC Italy

is issuing a call for applications for the following *fixed-term* position:

Radiotherapy Nurse (Ref. IdR UPMC/18 TD)

UPMC Italy is a company operating in the field of patient care, biomedical research and telemedicine. UPMC Italy also provides professional and operations management services, and consulting to develop clinical and research activities. UPMC Italy offers professional opportunities in an international and multicultural setting at an advanced radiotherapy center.

The Radiotherapy Nurse participates in the planning, scheduling, and implementing nursing care, collaborates with physicians and other health care providers, and enforces the Center policies and procedures. The Radiotherapy Nurse also actively participates in the education of patients and families, and updates paper and electronic medical records. The Radiotherapy Nurse is accountable for appropriate management and administration of drugs, and is an active part of the infection control process.

Requisites:

- Degree in Nursing licensing to practice the profession recognized in Italy, or equivalent title.
- Enrollment in the Board of Registered Nurses.

Preferential qualifications:

- Experience in radiotherapy.
- Current valid ACLS and BLS-D certificate.

The ideal candidate is English proficient and is familiar with the main MS-Office software; teamwork and stress management skills complete the role.

The workplace is in the **Province of Avellino**.

UPMC Italy reserves its right of discretion to the fullest extent permitted by law in assessing the candidates and the eligibility of the applications.

Only applicants who are not excluded under the provisions articulated in Legislative decree 165/2001, Art. 53, para. 16-ter, as amended and supplemented, can participate in this selection. (General Rules Governing the Work of Public Administrations <http://www.upmcitaly.it/wp-content/uploads/2017/01/Art-ENG.pdf>).

After reading the privacy statement and authorizing the processing of their personal data (Legislative decree 196/2003), applicants of either sex (Law 196/2003) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it/> indicating the reference code.

When filling out the on-line application form, applicants will be requested to attach their CV in Italian and English.

At the end of the on-line process, applicants will be requested to state, by means of self-declaration, that they possess the requirements listed under this call for applications.

All communications from UPMC Italy will be e-mailed to the address given by the applicant upon submission of the application.

The deadline to submit application is **March 21, 2018**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it>) and accompanied by a CV will be taken into consideration.

Under penalty of exclusion, all applicants are obliged to provide the documentation demonstrating the possession of the requisites stated in the self-certification, whenever UPMC Italy requires it during the selection process and within the fixed mandatory deadline. Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

Personal data included in the CV will be processed by UPMC Italy S.r.l. or associated companies and IRCCS ISMETT S.r.l. for selections referring to this or other similar positions. Applicants are requested not to include sensitive data (e.g., health status), unless strictly necessary. Detailed information with reference to data storage retention and rights provided for by Legislative decree 196/2003, are available at www.upmcitaly.it and www.ismett.edu in the Job Opportunities section.
