

FOCUS ON TRANSCATHETER AORTIC VALVE IMPLANTATION

ISMETT, Administration Conference Room, Palermo

4 maggio 2018

8.30 a.m. - 9.00 a.m. Welcome and Registration
 9.00 a.m. - 9:15 a.m. Introduction and opening remarks (M. Pilato, F. Clemenza, C. Gandolfo)
 9.15 a.m. - 9.45 a.m. **Keynote lecture:** From the randomized trials of TAVI in intermediate-risk patient to the new 2017 ESC guidelines: implications for everyday practice (A. Bartorelli)
 Presenter: C. Tamburino

I SESSION Moderators: A. Bartorelli, F. Clemenza, L. Menicanti, S. Novo, C. Tamburino

9.45 a.m. - 10.00 a.m. Clinical indications to TAVI treatment: where we are and where we are going (H. Noor)
 10.00 a.m. - 10.15 a.m. High-risk and low-risk patients: what are the real differences? (D. Bellavia)
 10.15 a.m. - 10.30 a.m. The limitations of surgery in lower-risk patients: an interventionist's perspective (H. Alsergani)
 10:30 a.m. - 10.45 a.m. The limitations of TAVI in lower-risk patients: a surgeon's perspective (C. Mignosa)
 10.45 a.m. - 11.00 a.m. Discussion

11.00 a.m. Coffee Break

11.15 a.m. - 12.15 a.m. **LIVE CASE**
 Moderators: A. Bartorelli, A. Latib, C. Mignosa, M. Pilato, A. Stabile
 12.15 a.m. - 1.15 p.m. **Discussion:** Moderators: I. Al Rashdan, T. Gleason, F. Musumeci
 Is TAVI the new gold standard in the treatment of patients with aortic stenosis?
 Yes: C. Tamburino
 No: L. Menicanti

1.30 p.m. Lunch

2.30 p.m. - 3.00 p.m. **Keynote lecture:** Fifteen years after the first TAVI, where are we and where are we headed? Unanswered questions and forthcoming trials (T. Gleason)
 Presenter: M. Pilato

II SESSION Moderators: F. Follis, A. Latib

3.00 p.m. - 3.15 p.m. The minimalistic approach for TAVI: the experience of the center (S. Cannata)
 3.15 p.m. - 3.30 p.m. Durability and standardized definition of bioprosthetic valve deterioration and failure (M. Barbanti)
 3.30 p.m. - 3.45 p.m. TAVI complex case management (small aortic annulus, bicuspid aortic valve, low-gradient aortic stenosis, concomitant coronary artery disease) (F. Musumeci)
 3.45 p.m. - 4.00 p.m. Discussion
 4.00 p.m. - 4.30 p.m. **Keynote lecture:** Update on current TAVI technology and devices (I. Al Rashdan)
 Presenter: C. Gandolfo
 4.30 p.m. - 5.00 p.m. **Keynote lecture:** Transcatheter treatment of all four heart valves: we're closer than you think! (A. Latib)
 Presenter: A. Bartorelli
 5.15 p.m. Closing remarks / CME

FACULTY

Ibrahim Al Rashdan	Kuwait Heart Center, Kuwait
Hani Salahidin Alsergani	King Faisal Specialist Hospital & Research Center, Riyadh, Saudi Arabia
Marco Barbanti	Ospedale Ferrarotto, Catania
Antonio Bartorelli	Centro Cardiologico Monzino, Milano
Diego Bellavia	ISMETT, Palermo
Stefano Cannata	ISMETT, Palermo
Francesco Clemenza	ISMETT, Palermo
Fabrizio Follis	ISMETT, Palermo
Caterina Gandolfo	ISMETT, Palermo
Thomas G. Gleason	University of Pittsburgh School of Medicine, USA
Azeem M. Latib	Ospedale San Raffaele, Milano
Lorenzo Menicanti	IRCCS Policlinico San Donato, Milano
Carmelo Mignosa	Clinica Morgagni, Pedara
Francesco Musumeci	AO San Camillo Forlanini, Roma
Husam A Noor	BDF Royal Medical Services, Riffa, Bahrain
Salvatore Novo	Azienda Ospedaliera Universitaria "P. Giaccone", Palermo
Michele Pilato	ISMETT, Palermo
Amerigo Stabile	Villa Maria Eleonora, Palermo
Corrado Tamburino	Ospedale Ferrarotto, Catania
