

UPMC Italy

is issuing a call for applications for the following *fixed-term* position:

1 Neurologist (Ref. Neuro/18 TD)

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad alta specializzazione), one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with the Civico Hospital and the Ri.MED Foundation.

The Neurologist manages neurological complications of ISMETT patients, particularly patients undergoing organ transplants and complex surgeries and patients affected with end-stage organ diseases. The Neurologist also makes pre-op assessments of patients affected with neurologic comorbidities, and of candidates for surgical procedures for purposes of pre-op risk stratification and peri-operative management. In collaboration with other specialists at ISMETT, the Neurologist is also responsible for conducting clinical and translational research projects, and undertaking an ongoing critical review of the outcomes.

Requisites:

- Degree in Medicine and Surgery recognized in Italy, or equivalent title.
- Specialization in Neurology recognized in Italy, or equivalent title.
- Enrollment in the Board of Physicians

Preferred qualifications:

- Experience in other organ transplant centers.
- Scientific production rated with the H-index.
- Excellent knowledge of English.

Good knowledge of the main computer applications, willingness to spend periods of training abroad, strong motivation, flexibility, stress management, problem-solving, communication skills, interpersonal relationship skills, and teamwork are also instrumental to the role.

The contract offered will be commensurate with the experience and skills of the selected candidate.

The workplace is **Palermo**.

UPMC Italy reserves any and wider sole right of discretion in assessing the candidates, and the eligibility of the applications.

Only applicants who are not in the conditions defined by paragraph 16-ter Art.53 of legislative decree N. 165/2001 and subsequent modifications and amendments can participate in this selection (General Rules Governing the Work of Public Administrations <http://www.upmcitaly.it/wp-content/uploads/2017/01/Art.pdf>).

After reading the privacy statement, and authorizing the processing of their personal data (Legislative decree 196/2003), applicants of either sex (Law 903/77) will be requested to fill out the online application form available at <http://selezioni.upmcitaly.it/> indicating the reference code. When filling out the online application form, candidates must attach their CV. Candidates will also be requested to enclose a motivation letter and a list of their scientific publications.

At the end of the online process, applicants will be requested to state, by means of a self-declaration, their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address given by the applicant upon submission of the application.

The deadline to submit applications is **May 3rd, 2018**.

Only applications submitted online (<http://selezioni.upmcitaly.it>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT for selections for this or other similar positions. Applicants are requested not to include sensitive data (e.g., health status), unless strictly necessary. Detailed information with reference to data storage and rights provided for by Legislative decree 196/2003 are available at www.upmcitaly.it and www.ismett.edu in the Job Opportunities section.
