

UPMC Italy

is issuing a call for applications for the following *fixed-term* position:

1 Diabetologist (Ref. Diab/18 TD)

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione), one of the most technologically-advanced and state-of-the-art medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civico Hospital and the Ri.MED Foundation.

Under the supervision of the Chief of the Diabetes and Islet Transplantation Unit, the selected candidate will manage diabetes, endocrinology, and metabolism issues of ISMETT inpatients and outpatients, with a special focus on pancreas and islet transplantation candidates, and transplant recipients. The selected candidate will also participate in the unit's research activities and in ISMETT's quality projects in the scope of his/her field of work.

Requisites:

- Degree in Medicine and Surgery recognized in Italy, or equivalent title.
- Postgraduate diploma in Endocrinology and Metabolic Diseases, Food Science, Internal Medicine recognized in Italy, or equivalent title.
- Enrollment in the Board of Physicians.

Preferred qualifications:

- Work/training experience in a transplant center.
- Work/training experience abroad.
- Scientific production rated with the H-index (to be specified in the CV).
- Diabetology basic and laboratory research experience.
- Experience in managing clinical studies, and designing and managing clinical database.

The ideal candidate has the following characteristics: he/she is familiar with the use of diabetology tests (including clamps), knows how to conduct clinical studies, design and manage clinical database, and is aware of the Good Clinical Practice guidelines. English proficiency, inclination for research activity, knowledge of main computer applications, strong motivation, flexibility, and stress management, problem solving, interpersonal, communication, and teamwork skills are also instrumental to the role.

The contract offered will be commensurate with the experience and skills of the selected candidate.

The workplace is **Palermo**.

UPMC Italy reserves any and wider sole right of discretion in assessing the applicants and the eligibility of the applications.

Only applicants who are not excluded under the provisions articulated in Legislative decree 165/2001, Art. 53, para. 16-ter, and subsequent modifications and amendments, can participate in this selection (General Rules Governing the Work of Public Administrations <http://www.upmcitaly.it/wp-content/uploads/2017/01/Art-ENG.pdf>).

After reading the privacy statement and authorizing the processing of their personal data (Legislative decree 196/2003), applicants of either sex (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it> indicating the reference code. When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will be requested to state, by means of a self-declaration, their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address given by the applicant upon submission of the application.

The deadline to submit applications is **June 4, 2018**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT for selections for this or other similar positions. Applicants are requested not to include sensitive data (e.g., health status), unless strictly necessary. Detailed information with reference to data storage and rights provided for by Legislative decree 196/2003 are available at www.upmcitaly.it and www.ismett.edu in the Job Opportunities section.
