

IRCCS-ISMETT

is issuing a call for applications for the following contractor position:

1 Neuroradiologist (Ref. Neurorad/19)

ISMETT (Istituto Mediterraneo per i Trapianti e le Terapie ad Alta Specializzazione) is a state-of-the-art and one of the most technologically-advanced hospitals in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civico Hospital and the Ri.MED Foundation. The Italian Ministry of Health acknowledged ISMETT as an Institute for scientific-based care and treatment (IRCCS) in the area of “End-stage organ failure treatment and research.”

In the scope of the project “Sistemi innovativi di precisione per la prevenzione e la gestione delle patologie correlate agli stili di vita - LifeStyle4Health” (F/050408/02/X32) funded by the Italian Ministry of Economic Development in compliance with Horizon 2020 (PON I&C 2014-20), the selected candidate will be engaged in diagnostic neuroradiology and research activities in the field of end-stage organ failure. Research activities will be mainly focused on functional imaging with 3.0 T MRI in the clinical environment. The duration of the contract is subject to the project's duration.

Requisites:

All applicants are expected to possess the following requisites at the time of application:

- Master's Degree in Medicine and Surgery recognized in Italy, or equivalent title
- Postgraduate specialization in Radiology recognized in Italy, or equivalent title
- Enrollment in the professional board
- Scientific production rated with H-index of at least 10 (to be indicated at the time of application)

Preferred qualifications:

- Participation in conferences as speaker or moderator
- Work/training experience abroad
- Active involvement in scientific associations with significant tasks and/or roles

The ideal candidate has a documented experience in the field of diagnostic neuroradiology and clinical research, English proficiency, and good knowledge of the main computer applications. Strong motivation, flexibility, stress management, problem-solving skills, and good interpersonal, communication and teamwork skills complete the role.

The activity will take place in Palermo.

All communications from IRCCS-ISMETT will be e-mailed to the address stated by the candidate upon submitting his/her application.

IRCCS-ISMETT reserves its right of discretion to the fullest extent permitted by law in assessing the candidates and the eligibility of their applications.

After reading the privacy statement and authorizing the processing of their personal data (EU Regulation 2016/679), applicants of either sex (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.ismett.edu> indicating the reference code.

When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will also be requested to state, by means of a self-declaration, their possession of the requisites listed in this call for applications.

The deadline to submit the applications is **March 28 2019**.

Please note that only applications submitted on-line (<https://selezioni.ismett.edu/?lang=en>) will be taken into consideration (<https://selezioni.ismett.edu/?lang=en>).

Please note that selection records are confidential documents for internal use only, and may not be disclosed.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration.

Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

IRCCS-ISMETT reserves the right to revoke this selection if the reasons that led the company to start this process no longer exists, or due to technical, organizational or financial reasons, which would make this selection no longer compliant with the company's interests.

Personal data included in the CVs and any other information obtained during the selection will be processed by IRCCS-ISMETT and UPMC Italy in their role of joint controllers, for selections for this or other similar positions. Applicants are requested not to include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at www.ismett.edu in the "Job Opportunities" section.
