

IRCCS ISMETT

is issuing a call for applications for the following *fixed-term* position:

1 Pathology Lab Technician (Ref. TAP/19 TD)

ISMETT (Istituto Mediterraneo per i Trapianti e le Terapie ad Alta Specializzazione) is a state-of-the-art and one of the most technologically-advanced hospitals in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civico Hospital and the Ri.MED Foundation. The Italian Ministry of Health acknowledged ISMETT as an Institute for scientific-based care and treatment (IRCCS) in the area of "End-stage organ failure treatment and research."

Under the supervision of the head of pathology services, the Pathology Lab Technician will manage cytohistology tests for diagnostic, educational and research purposes, performing and recording all the activities according to the main pathology diagnostic techniques.

Requisites and preferred qualifications must be specified in the on-line form.

Requisites:

All applicants are expected to possess the following requisites at the time of application:

- University Degree in Biomedical Laboratory Science, recognized in Italy or equivalent title under the current laws (please indicate the final mark in the on-line form).
- Enrollment in the professional board, completed or in progress (Please submit evidence).
- At least 6 months of documented previous professional experience in a pathology laboratory.

Please note that the professional training undertaken as an integral part of the university course does not replace/integrate the documented professional experience requested above.

Preferred qualifications:

Documented experience in the execution of: small biopsy inclusions and cytological preparations, needle biopsy cryostat sectioning, small biopsy microtome sectioning, routine, histochemical and immunohistochemical staining.

The ideal candidate is also familiar with the analytical methods of modern pathology laboratories, including molecular analysis methods and digital pathology applications.

He/she has experience with routine maintenance of the instruments used for pathology diagnostic and research applications, and with the management of reagent storage.

He/she is familiar with the use of computer applications generally used in pathology laboratories. Good knowledge of English and use of main computer applications. Good organizational, time and stress management, and interpersonal skills, accuracy, and critical thinking complete the profile.

Only applicants who are not excluded under the provisions articulated in Legislative decree 165/2001, Art. 53, para. 16-ter, and subsequent modifications and amendments

(General Rules Governing the Work of Public Administrations https://www.ismett.edu/wp-content/uploads/2017/12/Note-esplicative-allArt.-53-comma-16-ter-D.Lgs.-Nr.-1652001-All-11_EN.docx).

The workplace is **Palermo**.

Additional information on this call for applications will be posted under the section "Career at ISMETT" at (<https://www.ismett.edu/en>).

The date and location of the tests will be published on <https://www.ismett.edu/en>. Candidates will be expected to access this information from the above mentioned website. Candidates failing to show up for the tests on the scheduled day, time, and location will be excluded from the selection, whatever the cause of their absence, even if these are beyond their control or due to causes not ascribable to them.

Please note that in the event of a written test it is absolutely forbidden for candidates, under penalty of exclusion, to enter mobile phones, tablets, smart watches, or any other device for data storage, reception or transmission inside the premises where the tests will be carried out. This prohibition is extended to all devices, even if these are switched off, deactivated or non-operating. We regret to inform all candidates that we are unable to provide wardrobe or luggage storage service on the premises. Candidates are therefore kindly requested to leave all unauthorized items outside the selection room.

IRCCS-ISMETT reserves its right of discretion to the fullest extent permitted by law in assessing the candidates and the eligibility of their applications.

After reading the privacy statement and authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.ismett.edu>, indicating the reference code.

The on-line form must be filled out paying particular attention to the requisites indicated in the call for application. Incomplete, approximate or incorrect online applications may result in the exclusion from the tests.

When filling out the on-line application form, applicants will be requested to attach their CV. Applicants will also be requested to state, by means of a self-declaration, their possession of the requisites listed in this call for applications.

IRCCS ISMETT declines any responsibility for lack of communication due to incorrect e-mail addresses provided by candidates upon submitting their on-line application.

The deadline to submit the applications is **May 10th 2019**.

Please note that only applications submitted on-line will be taken into consideration (<http://selezioni.ismett.edu/>).

Please note that selection records are confidential documents for internal use only, and may not be disclosed.

Under penalty of exclusion, at the request of IRCCS ISMETT at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration.

Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

The signing of the employment contract is subject to the submission of the documentation proving the possession of the requisites, as well as the enrollment in the professional board of reference.

Candidates who, also for reasons beyond their control, are unable to provide the requested documentation or evidence of the enrollment in the professional board within the deadline indicated by ISMETT according to its undisputable organizational needs, will be excluded from the selection regardless of their position in the ranking.

IRCCS ISMETT reserves the right to revoke and/or invalid, or definitively suspend the selection at any time, with no obligation to notify candidates and with no right for the latter to raise any right or claim whatsoever.

Applications from candidates that, due to previous fixed-term employment contracts with ISMETT IRCCS for the same position of laboratory technician, have reached the maximum time limit of 24 months pursuant to art. 19, paragraph 2 of Legislative Decree No. 81/2015 as amended by art. 1 of Legislative Decree No. 87, converted with amendments by Law No. 96 of August 9, 2018, will not be taken into consideration.

Personal data included in the CVs and any other information collected during the selection will be processed by IRCCS ISMETT and UPMC Italy in their role of joint controllers, for selections for this or other similar positions. Applicants are requested not to include special categories of personal data (e.g., health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at <https://www.ismett.edu/en> in the "Work with us" section.
