

# IRCCS ISMETT

is issuing a call for applications for

## 1 Gastroenterology Research Fellowship

### (Ref. Gastro PLENVU/19)

ISMETT (Istituto Mediterraneo per i Trapianti e le Terapie ad Alta Specializzazione) is a state-of-the-art and one of the most technologically-advanced hospitals in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civico Hospital and the Ri.MED Foundation. The Italian Ministry of Health acknowledged ISMETT as an Institute for scientific-based care and treatment (IRCCS) in the area of “End-stage organ failure treatment and research.”

In the scope of PLENVU, a multicenter randomized parallel group phase IV study on the efficacy, safety, and tolerability of PLENVU, IRCCS ISMETT is issuing a call for applications for one Gastroenterology Research Fellowship. The duration of the fellowship is subject to that of the project of reference.

The ideal candidate is a gastroenterologist, experienced in the management of outpatients, and in diagnostic and therapeutic endoscopy. He/she will be mainly involved in gastroenterology research related to patients enrolled in the PLENVU trial, and their clinical management.

All candidates will be expected to possess the following requisites and preferred qualifications at the time of their application.

#### **Requisites:**

- Degree in Medicine and Surgery recognized in Italy, or equivalent title
- Enrollment in the Board of Physicians
- Postgraduate diploma in Gastroenterology recognized in Italy, or equivalent title

#### **Preferred qualifications:**

- Documented experience in endoscopy units of transplant centers
- Scientific production rated with the H-index

Knowledge of computer applications, written and spoken English proficiency, availability to perform multidisciplinary tasks, scientific-technical consults, continuous education programs, availability for training and scientific collaboration programs in Italy and abroad, positive attitude towards teamwork and staff training, orientation to results, and problem solving skills are also instrumental to the role.

**The activity will take place in Palermo.**

All communications from IRCCS ISMETT will be e-mailed to the address stated by the candidate upon submitting his/her application.

IRCCS ISMETT reserves its right of discretion to the fullest extent permitted by law in assessing the candidates and the eligibility of their applications.

After reading the privacy statement and authorizing the processing of their personal data (Legislative decree 196/2003), applicants of either sex (Law 903/77) are requested to fill out the on-line application form available at indicating the reference code <https://selezioni.ismett.edu/?lang=en>.

When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will also be requested to state, by means of a self-declaration, their possession of the requisites listed in this call for applications.

The deadline to submit the applications is **July 18, 2019**.

Please note that only applications submitted on-line (<https://selezioni.ismett.edu/?lang=en>) will be taken into consideration(<https://selezioni.ismett.edu/?lang=en>).

Please note that selection records are confidential documents for internal use only, and may not be disclosed.

Under penalty of exclusion, at the request of IRCCS ISMETT at any time during the selection process and within the mandatory deadline, applicants must provide evidence of their possession of the requisites and qualifications requested.

Should any preliminary verification show a discrepancy with any statement of the applicant, the research fellowship will not be assigned.

IRCCS ISMETT reserves the right to revoke this selection if the reasons that led the company to start this process no longer exists, or due to technical, organizational or financial reasons, which would make this selection no longer compliant with the company's interests.

Personal data included in the CVs and any other information collected during the selection will be processed by IRCCS ISMETT and UPMC Italy in their role of joint controllers, for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at <https://www.ismett.edu/en> in the "Work with us" section.
