

UPMC Italy

is issuing a call for applications for the following position:

1 Pathologist (Ref. Anatpat/19 II)

UPMC (University of Pittsburgh Medical Center - <https://www.upmc.com/>) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy, the Italian division of UPMC - <https://www.upmcitaly.it/> - is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, and also in other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) - <https://www.ismett.edu.it/> - one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civico Hospital and the Ri.MED Foundation. - <http://www.fondazionerimed.eu> -

Under the supervision of the head of pathology services, the Pathologist will work alongside the unit staff on diagnostic and research activities.

The ideal candidate has professional experience with diagnostic and research histopathology in the following areas: thoracic surgery pathology, abdominal surgical pathology, urological pathology in adults, soft tissue surgical pathology, pediatric abdominal pathology, needle aspiration cytology of thyroid and deep organs, end-stage organ pathology, and liver, kidney, heart, and lung transplantation pathology in pediatric and adult patients. Teamwork, flexibility, availability to be on-call during nights and holidays, and availability to spend training periods abroad are also instrumental to the role.

Requisites:

- Degree in Medicine and Surgery recognized in Italy, or equivalent title.
- Postgraduate diploma (recognized in Italy or equivalent title) in Anatomy and Histopathology (already obtained or to be obtained during the current year)
- Enrollment in the professional board.

Preferred qualifications:

- Work experience in a transplant center.
- Experience in pathology services qualified in the areas of interest (see Ideal candidate's requisites).
- Experience in pulmonary and thoracic pathology.
- Experience in soft tissue tumors.
- Scientific production rated with the H-index.
- Excellent knowledge of English.

Time management, problem solving skills and self-control complete the profile.

The contract offered will be commensurate with the experience and skills of the selected candidate.

Workplace: **Palermo**.

UPMC Italy reserves any and wider sole right of discretion in assessing the applicants and the eligibility of the applications.

Only applicants who are not excluded under the provisions articulated in Legislative decree 165/2001, Art. 53, para. 16-ter, and subsequent modifications and amendments can participate in this selection (General Rules Governing the Work of Public Administrations).

After reading the privacy statement and authorizing the processing of their personal data (Legislative decree 196/2003), applicants of either sex (Law 903/77) are requested to fill out the on-line application form, indicating the reference code, available at <http://selezioni.upmcitaly.it/?lang=en>. When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will be requested to state, by means of a self-declaration, their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address given by the applicant upon submission of the application.

The deadline to submit applications is **November 30, 2019**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at www.ismett.edu and www.upmcitaly.it in the "Job Opportunities" section.
