

## UPMC Italy

is issuing a call for applications for the following *fixed-term* position:

### **Interventional Cardiology Fellow (Ref. Fellow CarIn/19 TD)**

UPMC (University of Pittsburgh Medical Center (<https://www.upmc.com>)) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy, the Italian division of UPMC, - <https://www.upmcitaly.it/> - is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, and also in other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) - <https://www.ismett.edu/it/>- one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civic Hospital and the Ri.MED Foundation. - <http://www.fondazionerimed.eu> -

We are seeking young specialized physicians interested in a paid fellowship in the field of Diagnostic & Invasive Cardiology and Structural & Interventional Cardiology, with particular reference to TAVI and MitraCLip.

#### **Requisites:**

- Degree in Medicine and Surgery recognized in Italy, or equivalent title.
- Postgraduate diploma in Cardiology recognized in Italy or equivalent title (already obtained or to be obtained by and no later than March 31, 2020).
- Enrollment in the professional board.

#### **Preferred qualifications:**

- Documented training/professional experience in other Interventional Radiology Laboratories in Italy or abroad.
- Documented experience in right catheterization, with calculation of the relevant hemodynamics parameters, coronarography and, even urgent, coronary angioplasty procedures.
- Scientific production rated with the H-index.

**Other requisites:** English proficiency, inclination for research activity, knowledge of main computer applications, strong motivation, flexibility, and stress management, problem solving, interpersonal, communication, and teamwork skills are also instrumental to the role. Good teamwork abilities; flexibility.

The workplace is **Palermo**.

UPMC Italy reserves any and wider sole right of discretion in assessing the applicants and the eligibility of the applications.

Only applicants who are not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments, can participate in this selection. (General Rules Governing the Work of Public Administrations).

After reading the privacy statement and authorizing the processing of their personal data (Legislative decree 196/2003), applicants of either sex (Law 903/77) are requested to fill out the on-line application form, indicating the reference code, available at <http://selezioni.upmcitaly.it>. When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will be requested to state, by means of a self-declaration, their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address stated by the candidate upon submitting his/her application.

The deadline to submit the applications is **November 14, 2019**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at [www.ismett.edu](http://www.ismett.edu) and [www.upmcitaly.it](http://www.upmcitaly.it) in the "Job Opportunities" section.
