

UPMC Italy

is issuing a call for applications for the following position:

1 Thoracic surgeon (Ref. Torac/19)

UPMC (University of Pittsburgh Medical Center - <https://www.upmc.com/>) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy, the Italian division of UPMC - <https://www.upmcitaly.it/> - is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, and also in other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) - <https://www.ismett.edu/it/> - one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civico Hospital and the Ri.MED Foundation. - <http://www.fondazionerimed.eu> -

The selected candidate will participate in thoracic surgeries and lung transplants, which include operating room activity, procurement and transplant, clinical management of patients, and research activity.

Requisites:

- Degree in Medicine and Surgery recognized in Italy, or equivalent title
- Postgraduate diploma in thoracic surgery recognized in Italy, or equivalent title
- Enrollment in the professional board

Preferred qualifications:

- Previous working experience in other organ transplant centers
- Specific training in transplant surgery and lung transplant surgery
- International training experiences
- Scientific production rated with the H-index
- Good knowledge of English

The ideal candidate has the following characteristics: surgical and scientific experience in thoracic surgery; independent management of major thoracic surgeries in the scope of transplantation and elective and emergency thoracic general surgery; ability and interest in a project to develop and enhance the thoracic surgery activity; strong ability for interdisciplinary work and problem solving also for organizational and administrative tasks; background and ability in clinical research; good knowledge of the main computer applications, willingness to spend periods of training abroad, strong motivation, flexibility, and stress management, communication, interpersonal relationship, and teamwork skills.

The workplace is **Palermo**.

The contract offered will be commensurate with the experience and skills of the selected candidate.

UPMC Italy reserves any and wider sole right of discretion in assessing the applicants and the eligibility of the applications.

Only applicants who are not excluded under the provisions articulated in Legislative decree 165/2001, Art. 53, para. 16-ter, and subsequent modifications and amendments can participate in this selection (General Rules Governing the Work of Public Administrations).

After reading the privacy statement and authorizing the processing of their personal data (EU Regulation 2016/679), applicants of either sex (Law 903/77) are requested to fill out the on-line application form, indicating the reference code, available at <http://selezioni.upmcitaly.it/?lang=en>. When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will be requested to state, by means of a self-declaration, their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address given by the applicant upon submission of the application.

The deadline to submit applications is **November 28, 2019**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at www.ismett.edu and www.upmcitaly.it in the "Job Opportunities" section.
