

UPMC Italy

is issuing a call for applications for the following position:

Cardiologist (Ref. Card/20)

UPMC (University of Pittsburgh Medical Center - <https://www.upmc.com/> -) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy (the Italian division of UPMC - <https://www.upmcitaly.it/>) is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, but also involves other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione- <https://www.ismett.edu.it/>) one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civic Hospital and the Ri.MED Foundation. - <http://www.fondazionerimed.eu> .

The IRCCS ISMETT Heart transplant and ventricular assist device (VAD) program allows to manage a complex population of advanced heart failure patients. Every year, IRCCS ISMETT's Interventional Cardiology and Cardiac Surgery departments treat approximately 1,000 patients with complex cardiac diseases using state-of-the-art and minimally-invasive technologies. This position offers a considerable opportunity for a young professional interested in studying the most modern cardiovascular diagnostic imaging techniques, and becoming familiar with the decision-making process and clinical management of heart disease patients. In such a context, even the expert cardiologist will find a highly-qualified and welcoming team, and an opportunity to increase his or her professional knowledge.

Requisites:

- Degree in Medicine and Surgery recognized in Italy, or equivalent title.
- Postgraduate diploma in Cardiology recognized in Italy, or equivalent title.
- Enrollment in the professional board.

Preferred qualifications:

- Previous documented professional experience in the clinical management of cardiac diseases and performing echocardiographies.
- Scientific production rated with the H-index.

English proficiency, knowledge of main computer applications, high motivation, flexibility, stress management, problem-solving skills, and good interpersonal, communication, and teamwork skills complete the profile.

The contract offered will be commensurate with the experience and skills of the selected candidate.

The workplace is **Palermo**.

UPMC Italy reserves its right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

After reading the privacy statement and authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <https://www.upmcitaly.it/en/>. When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications. At the end of the on-line process, applicants will be requested to issue a self-statement regarding their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address stated by the applicant when submitting his/her application.

The deadline to submit applications is **19 February 2020**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by an applicant, the latter will be excluded from the selection process, and any negotiation permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at www.ismett.edu and www.upmcitaly.it in the "Job Opportunities" section.
