UPMC Italy

is issuing a call for applications for the following no-term position:

1 Medical Device Expert (Ref. EDM/20)

UPMC (University of Pittsburgh Medical Center - https://www.upmc.com/) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy (the Italian division of UPMC - https://www.upmcitaly.it/en/) is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, but also involves other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) - https://www.ismett.edu/en/ - one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civico Hospital and the Ri.MED Foundation - http://www.fondazionerimed.eu.

The Medical Device Expert is responsible for the acknowledgment, planning, and qualitative and quantitative assessment of medical device requirements, and for drafting technical specifications for bid processes and awarding of medical device supplies. He/she also provides guidelines for the use, storage, and management of medical devices, and monitoring consumptions for purpose of rationalizing expenditure.

The ideal candidate possesses the following requisites:

- Master's degree in the health care or scientific-technological sector
- Documented professional experience in the field of medical devices of at least three years, preferably in abdominal and cardiothoracic settings within nationally-renowned public and private hospitals, bodies, or institutes.
- English proficiency and perfect knowledge of main computer systems.
- Knowledge of the Italian laws on hospital pharmacy, with a specific focus on medical devices.

Good communication, interpersonal, problem solving, organizational, time and stress management, confidentiality, critical thinking, and teamwork skills are also instrumental to the role.

The contract offered will be commensurate with the experience and skills of the selected candidate.

The workplace is **Palermo**.

UPMC Italy reserves its right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

After reading the privacy statement and authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at http://selezioni.upmcitaly.it/?lang=en. When filling out the on-line application form, applicants will be requested to attach their CV.

All communications from UPMC Italy will be e-mailed to the address stated by the applicant when submitting his/her application.

The deadline to submit applications is **March 31, 2020**.

Only applications submitted on-line (http://selezioni.upmcitaly.it/?lang=en) with an attached CV will be taken into consideration.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary.
