

# UPMC Italy

is issuing a call for applications for the following *fixed-term* position:

## 1 Infectious Diseases fellow (Ref. Fellow Infett/20 TD)

UPMC (University of Pittsburgh Medical Center - <https://www.upmc.com/>) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy, the Italian division of UPMC - <https://www.upmcitaly.it/> - is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, and also in other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) - <https://www.ismett.edu.it/> - one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civico Hospital and the Ri.MED Foundation. - <http://www.fondazionerimed.eu> -

We are seeking a young specialized physician interested in embarking on a fellowship program, under a contract of employment, in the field of infectious diseases.

The selected candidate will be involved in the activities of the Infectious Disease and Infection Control Service, with a specific focus on the area of transplantation.

The selected candidate will work as consultant for the clinical management of patients, and also participate in quality improvement projects and scientific research activities, both in the field of clinical infectious disease and infection control.

### Requisites:

- Degree in Medicine and Surgery recognized in Italy, or equivalent title.
- Specialization in Infectious Diseases recognized in Italy, or equivalent title.
- Enrollment in the professional board.

### Preferred qualifications:

- Scientific production rated with the H-index. Please indicate the H-index in the CV.
- Additional requirement (on a residual basis compared to the requisites listed above): 35 years old or under.

Work experience in a solid organ transplant center, English proficiency, knowledge of main computer applications, strong motivation, flexibility, problem solving, interpersonal, communication, and teamwork skills are also instrumental to the role.

Workplace: **Palermo**.

UPMC Italy reserves any and wider sole right of discretion in assessing the applicants and the eligibility of the applications.

Only applicants who are not excluded under the provisions articulated in Legislative decree 165/2001, Art. 53, para. 16-ter, and subsequent modifications and amendments can participate in this selection (General Rules Governing the Work of Public Administrations).

After reading the privacy statement and authorizing the processing of their personal data (EU Regulation 2016/679), applicants of either sex (Law 903/77) are requested to fill out the on-line application form, indicating the reference code, available at <http://selezioni.upmcitaly.it/?lang=en>. When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will be requested to state, by means of a self-declaration, their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address given by the applicant upon submission of the application.

The deadline to submit applications is **March 20, 2020**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by the applicant, the latter will be excluded from the selection process, and any negotiation deemed permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at [www.ismett.edu](http://www.ismett.edu) and [www.upmcitaly.it](http://www.upmcitaly.it) in the "Job Opportunities" section.
