

UPMC Italy

is issuing a call for applications for the following fixed-term position:

1 IT SAP Analyst (Ref. SAPA RM TD/20)

**Inclusion in a protected category under article 1 of law 68/1999
(Italian law on work inclusion of people with disability)
and subsequent amendments would be preferable.**

UPMC (University of Pittsburgh Medical Center - www.upmc.com) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy, the Italian division of UPMC (www.upmcitaly.it), is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research. UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, but also involves other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery.

The IT SAP Analyst supports the IT SAP Manager in the management and implementation of applications to support administrative processes, with particular reference to accounting and supply chain processes.

He/she will collaborate with the Business Key Users and manage their requests from an operational perspective, both in the area of AS-IS maintenance (information and bug fixing) and development of small evolutions.

The ideal candidate possesses the following requisites:

- University degree in computer engineering or engineering management.
- Experience in providing user support on information and bug fixing activities.
- Experience in IT project management, mainly accounting and supply chain processes in SAP Business One environment, preferably within hospitals facilities.
- Knowledge of the SAP Business One customization and development environment.

Other requisites: Proactivity, excellent ability to listen to company business needs, and good stress management skills.

The workplace is **Rome**.

UPMC Italy reserves its right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

After reading the privacy statement and authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it>. When filling out the on-line application form, applicants will be requested to attach their CV.

All communications from UPMC Italy will be e-mailed to the address stated by the candidate upon submitting his/her application.

The deadline to submit applications is **March 12, 2020**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it>) with an attached CV will be taken into consideration.

Personal data included in the CVs will be processed by UPMC Italy in its role of data controller, for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available in the privacy statement at <http://www.upmcitaly.it/en/> in the "Work With Us" section.
