

UPMC Italy

is issuing a call for applications for the following *fixed-term* position:

1 ERP Analyst (Ref. ERPA/20 TD)

UPMC (University of Pittsburgh Medical Center - <https://www.upmc.com/>) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy (the Italian division of UPMC - <https://www.upmcitaly.it/>) is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, but also involves other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) - <https://www.ismett.edu/en/> - one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with ARNAS Civico Hospital in Palermo and the Ri.MED Foundation - <http://www.fondazionerimed.eu>

The ERP Analyst, under the supervision of the Chief Information Officer and ERP Manager, will be responsible for managing and implementing all applications supporting administrative processes, with particular regard to accounting. He\she will also manage the delivery of the ERP Oracle Fusion platform, focusing on back-end and front-end technical activities, for administrative, financial, and management control projects.

Requisites:

- University degree in a scientific\technological or economic\statistical field (please indicate the final mark in the on-line form).
- At least 3 years of IT experience.

Preferred qualifications:

- Knowledge of the Oracle Cloud Application Services infrastructure.
- Knowledge of the ERP processes and procedures.
- Experience in application integration between administrative systems.
- Knowledge of data warehouse and BI/analytics systems.
- Previous experience in cost accounting.
- Previous experience in management control.

English proficiency, organizational skills, and time and stress management, problem solving are also instrumental to the role. Good interpersonal and team working skills are also required.

The workplace is **Palermo**.

UPMC Italy reserves its right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

After reading the privacy statement and, if necessary, authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it/?lang=en> When filling out the on-line application form, applicants will be requested to attach their CV.

At the end of the on-line process, applicants will be requested to issue a self-statement regarding their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address stated by the applicant when submitting his/her application.

The deadline to submit applications is **May 21, 2020**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by an applicant, the latter will be excluded from the selection process, and any negotiation permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT in their capacity of joint controllers for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at www.ismett.edu and www.upmcitaly.it in the "Job Opportunities" section.
