1 IT SAP Analyst (Ref. SAPA I RM TD/20)

The inclusion in a protected category, as referred to in art. 1 of Law 68/1999 and subsequent modifications and amendments, will be considered a preferred requisite.

UPMC (University of Pittsburgh Medical Center - <https://www.upmc.com>) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy, the Italian division of UPMC (<https://www.upmcitaly.it/>), is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research. UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, but also involves other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery.

The IT SAP Analyst supports the IT SAP Manager in overseeing and implementing applications assisting corporate administrative processes, with particular reference to accounting and supply chain.

He/she works with Business Key Users and manages their requests operationally, maintaining the AS-IS environment (Information and Bug fixing) and developing small improvement solutions.

The ideal candidate possesses the following requisites:

- Degree in Computer Engineering or in Management Engineering.
- Experience supporting users with Information and Bug fixing tasks.
- Experience managing IT projects, primarily for accounting and supply chain processes in an SAP Business One environment, preferably in hospital facilities.
- Knowledge of the SAP Business One customization and development environment.
- Good knowledge of Crystal Report.
- Good knowledge of SQL language.
- Development experience in a .Net environment.

Proactivity, good understanding of corporate needs, leadership, and good stress management skills are also instrumental to the role.

Workplace: **Rome**.

UPMC Italy reserves its right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

After reading the privacy statement and authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it> indicating the reference code. When filling out the on-line application form, applicants will be requested to attach their CV.

All communications from UPMC Italy will be e-mailed to the address stated by the candidate upon submitting his/her application.

The deadline to submit applications is **September 17, 2020**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it>) with an attached CV will be taken into consideration.

Personal data included in the CVs will be processed by UPMC Italy in its role of data controller, for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available in the privacy statement at <http://www.upmcitaly.it/en/> in the "Work With Us" section.
