

UPMC Italy

is issuing a call for applications for the following *fixed-term* position:

1 Pediatrics Junior Attending (Ref. JAPED/20 TD)

UPMC (University of Pittsburgh Medical Center - <https://www.upmc.com/>) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Sicily, Campania, Lazio, and Tuscany, UPMC Italy (the Italian division of UPMC - <https://www.upmcitaly.it/>) is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, but also includes other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery. In the field of pediatrics, the team also treats rare and autoimmune hepatic and intestinal diseases.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) - <https://www.ismett.edu/en/> - one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC in partnership with ARNAS Civico Hospital in Palermo and the Ri.MED Foundation. - <http://www.fondazionerimed.eu>.

The selected candidate will work with the other physicians involved in the pediatric program. He/she will be involved in the activity of the general pediatric outpatient clinic and in the management of a pediatric hepato-gastroenterology clinic focusing on rare and autoimmune hepato-gastroenterology diseases and issues related to abdominal organ transplants and immunosuppression programs. The Pediatrics Junior Attending will also work in the inpatient units managing patients with medical and surgical issues, in collaboration with the surgeons, and will be included in the pediatric on-call and attending schedule.

Requisites:

- Degree in Medicine and Surgery recognized in Italy, or equivalent title.
- Postgraduate diploma in Pediatrics recognized in Italy, or equivalent title.
- Enrollment in the Board of Physicians

Preferred qualifications:

- Previous pediatrics training and professional experience in hepatology units, and managing (liver) transplant recipients or patients with rare diseases.
- Scientific production rated with the H-index (to be specified in the CV).

Other requisites: An interest and inclination towards scientific and research activity, English proficiency, a knowledge of the main computer applications, a strong motivation and flexibility, problem solving, communication, and teamwork skills are also instrumental to the role.

The workplace is **Palermo**.

UPMC Italy reserves its right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

After reading the privacy statement and, if necessary, authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it/?lang=en> When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will be requested to issue a self-statement regarding their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address stated by the candidate upon submitting his/her application.

The deadline to submit applications is **December 14, 2020**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by an applicant, the latter will be excluded from the selection process, and any negotiation permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT in their capacity of joint controllers for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information, also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at www.ismett.edu/en/ on the "Career at ISMETT" page and at www.upmcitaly.it/en/ on the "Work With Us" page.
