

# UPMC Italy

is issuing a call for applications for the following position:

## **Pulmonologist (Ref. Pneumo/20)**

UPMC (University of Pittsburgh Medical Center - <https://www.upmc.com/>) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Sicily, Campania, Lazio, and Tuscany, UPMC Italy (the Italian division of UPMC - <https://www.upmcitaly.it/>) is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy's clinical and scientific activity mainly focuses on transplantation and oncology, but also includes other specialties: from emergency medicine to neurosurgery, from preventive medicine to cardiac surgery. In the field of pediatrics, the team also treats rare and autoimmune hepatic and intestinal diseases.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) - <https://www.ismett.edu/en/> - one of the most technologically advanced and state-of-the-art medical centers in Italy, managed by UPMC in partnership with ARNAS Civico Hospital in Palermo and the Ri.MED Foundation. - <http://www.fondazionerimed.eu>.

The selected candidate will collaborate in conducting the Pulmonology Units's clinical activity in the areas of lung transplantation, respiratory failure and rare lung diseases, in collaboration with the Thoracic Surgery and Lung Transplant Unit.

### **Requisites:**

- Degree in Medicine and Surgery recognized in Italy, or equivalent title.
- Postgraduate diploma in Respiratory Diseases, already obtained or enrollment in the last year of the course (recognized in Italy, or equivalent title).
- Enrollment in the Board of Physicians

The ideal candidate has experience in the selection and follow-up of thoracic surgery patients and in bronchoscopic diagnostics.

### **Preferred qualifications:**

- Previous experience as a pulmonologist in the management of respiratory failure and in endoscopy, preferably in the area of thoracic surgery.
- Scientific production rated with the H-index.
- Good knowledge of English.

**Other requisites:** Good time management skills, self-control, strong motivation, flexibility, and good problem solving, communication and team working skills.

The type of contract offered will be commensurate with the qualifications, experience and skills of the selected candidate.

The workplace is **Palermo**.

UPMC Italy reserves its right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

After reading the privacy statement and, if necessary, authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it/?lang=en>. When filling out the on-line application form, applicants will be requested to attach their CV. Applicants are also requested to attach a motivation letter and a list of their scientific publications.

At the end of the on-line process, applicants will be requested to issue a self-statement regarding their possession of the requisites listed in this call for applications.

All communications from UPMC Italy will be e-mailed to the address stated by the candidate upon submitting his/her application.

The deadline to submit applications is **December 31, 2020**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of the requisites stated in their self-declaration. Should any preliminary verification show a discrepancy with any statement submitted by an applicant, the latter will be excluded from the selection process, and any negotiation permanently suspended.

Personal data included in the CV will be processed by UPMC Italy and IRCCS ISMETT in their capacity of joint controllers for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information, also with reference to data storage times and rights recognized under EU Regulation 2016/679, are available at [www.ismett.edu/en/](http://www.ismett.edu/en/) on the "Career at ISMETT" page and at [www.upmcitaly.it/en/](http://www.upmcitaly.it/en/) on the "Work With Us" page.
