

IRCCS ISMETT

is issuing a call for applications for the selection of

Biomedical Laboratory Technician (Ref. TLB/21)

The purpose of this call is to create a list, that will have a maximum validity of 36 months, of a maximum of 20 eligible candidates ranked in order of merit, to which IRCCS ISMETT reserves the right to refer to for potential future working contracts.

ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) is a state-of-the-art and one of the most technologically-advanced medical centers in Italy, managed by UPMC (University of Pittsburgh Medical Center) in partnership with Civico Hospital and the Ri.MED Foundation. The Italian Ministry of Health has acknowledged ISMETT as a government-approved research hospital or Istituto di Ricovero e Cura a Carattere Scientifico (IRCCS) in the area of "End-stage organ failure treatment and research".

Under the supervision of the Laboratory Technicians Coordinator, the Biomedical Laboratory Technician is responsible for technical management of the various pre-analytical, analytical, and post-analytical phases of the Laboratory. The Biomedical Laboratory Technician also checks service compliance with the diagnostic protocol standards, appropriateness of samples, efficiency of instruments and reagents, and quality audit outcomes. He/she also offers technical support along the various steps of diagnostic and research tests.

Applicants must meet the requisites and preferred qualifications of this call when filing the application and state them in the on-line form.

Requisites:

- University degree of Biomedical Laboratory Technician recognized in Italy, or equivalent title.
- Enrollment in the professional board.

Preferred qualifications:

- Experience in medium-large sized laboratories.
- Experience in molecular biology.

The ideal candidate is familiar with the diagnostic methods and instrumentation most commonly utilized in clinical pathology, clinical biochemistry, hematology and coagulation, clinical immunology, microbiology and virology. The ideal candidate also has a good knowledge of English and of the main computer applications.

Good stress management, flexibility and team working abilities, confidentiality, and time management and problem solving skills complete the profile.

The workplace is Palermo.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

Information concerning this selection will be notified to candidates through the official website in the "Job Opportunities" section (www.ismett.edu). Applicants will be expected to access this information from the above mentioned website.

IRCCS ISMETT reserves any and wider sole right of discretion in assessing the candidates to be included in the list of eligible individuals.

After reading the privacy statement and, if necessary, authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <https://selezioni.ismett.edu/?lang=en>

The on-line form must be filled out paying particular attention to the requisites and preferred qualifications indicated in this call for application. Filling out the on-line application form in an incomplete, approximate, or incorrect manner may lead to considering the applicant not eligible to performing the tests.

When filling out the on-line application form, applicants will be requested to attach their CV. Applicants will be requested to issue a self-statement regarding their possession of the requisites listed in this call for applications.

IRCCS ISMETT declines any responsibility for non-delivery of communications due incorrect e-mail addresses provided by applicants upon submitting their on-line applications.

The deadline to submit the applications is **June 25, 2021**.

Please note that only applications submitted on-line will be taken into consideration (<https://selezioni.ismett.edu/?lang=en>)

Please note that selection records are confidential documents for internal use only, and may not be disclosed.

All applicants are obliged, at any time during the selection process, and if requested by IRCCS ISMETT, to provide the documentation certifying the stated possession of the requisites within the requested deadline.

Should any preliminary verification show a discrepancy with any statement submitted by an applicant, the latter will be excluded from the selection process, and any negotiation permanently suspended.

A list of suitable candidates will be drafted with no more than 20 eligible candidates ranked in order of merit, with a maximum validity of 36 months, to which IRCCS ISMETT reserves the right to refer to for potential future working contracts. The list will contain the names of the persons deemed eligible at the sole discretion of IRCCS ISMETT. A person's inclusion on the list entails no commitment on behalf of IRCCS ISMETT to start a professional collaboration with that person, nor any rights of preference for prior and different selections or rankings at IRCCS ISMETT.

The finalization of the employment contract is subjected to the submitting of the documentation proving that the candidate meets the requirements. Candidates unable to provide the requested documentation within the mandatory and final deadline indicated by IRCCS ISMETT based on its unquestionable organizational needs, for any reason whatsoever even if beyond their control, will be excluded from the selection regardless of their ranking.

IRCCS ISMETT reserves the right to revoke and/or invalid or definitively suspend this selection at any time, with no obligation to notify applicants, and with no right for applicants to raise any right or claim whatsoever.

Please note that applications of candidates who, under previous fixed-term working relationships with IRCCS ISMETT in the same role, have reached the maximum time limit of 24 months as defined by art. 19, para. 2 of Legislative decree 81/2015, amended by art. 1 the Law decree 87 of 12 July 2018, and converted with modifications by Law 96 of 9 August 2018, will not be taken into consideration.

Personal data included in the CV and any other information collected during the selection will be processed by IRCCS ISMETT and UPMC Italy in their role of joint controllers, for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data retention times and rights recognized under EU Regulation 2016/679 are available at <https://www.ismett.edu/en> in the "Work with us" section.
