

IRCCS ISMETT

is issuing a call for applications for

1 SicurFibroPolm Pharmacist Research Fellowship (Ref. BR Farm SFP/22)

ISMETT, Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione, is a multi-organ transplant center and high-specialty hospital, established by means of an International not-for-profit public-private partnership between the Region of Sicily, the Ri.MED Foundation, and UPMC (University of Pittsburgh Medical Center), which manages the Institute. The Italian Ministry of Health has acknowledged ISMETT as a government-approved research hospital or Istituto di Ricovero e Cura a Carattere Scientifico (IRCCS) in the area of "End-stage organ failure treatment and research". ISMETT is one of the few hospitals in Italy to have received accreditation from Joint Commission International (JCI) since 2009, and one of the six hospitals to have achieved EMRAM, HIMSS Stage 6 certification.

ISMETT is a dynamic and multicultural working environment with integrated dignity and respect. UPMC Italy provides opportunities for personal development, oriented towards continuous improvement and excellence in health care.

IRCCS ISMETT, as part of the active Pharmacovigilance project "Safety and tolerability of drugs for idiopathic pulmonary fibrosis, Pirfenidone and Nintedanib, evaluated through real world data analysis" funded by the Sicilian Region - Regional Health Commission, is issuing a call for application for one SicurFibroPolm Pharmacist Research Fellowship. The duration of the fellowship is subject to that of the project of reference.

The research fellow, as part of the project activities supported by the research fellowship, will be responsible for the collection and analysis of data, the preparation of (intermediate and final) scientific reports, the preparation of scientific publications relating to the project. He\she will also support the local pharmacovigilance manager with pharmacovigilance activities.

Applicants must meet the requisites and preferred qualifications of this call when filing the application and state them in the on-line form.

Requisites:

- Master's degree in Pharmacy or equivalent title (LM13 class).
- Specialization in Hospital Pharmacy or equivalent title, already obtained or in progress (only students enrolled at least in their third year of postgraduate school will be admitted).
- Pharmacist licensure.
- Enrollment in the Board of Pharmacists

Preferred qualifications:

- Documented experience in pharmacovigilance.
- Scientific publications in national and/or international journals in Pharmacology and/or Pharmacovigilance.

The ideal candidate has knowledge of the appropriate use of drugs for the treatment of idiopathic pulmonary fibrosis, and of the main computer applications

Proactivity, flexibility and team working abilities, and good organizational, time management, and problem solving skills complete the profile.

The training and research activities will take place in Palermo.

This Research Fellowship is not cumulative nor compatible with other fellowships, research grants or contributions granted for whatever reason, or working task performed for any reason whatsoever.

Only applicants not excluded under the provisions articulated Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

Information concerning this selection will be notified to candidates through the official website in the "Job Opportunities" section (www.ismett.edu).

The date and location of the tests will be published on the above mentioned website. Applicants will be expected to access this information from the above mentioned website.

IRCCS ISMETT reserves its right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

After reading the privacy statement and, if necessary, authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <https://selezioni.ismett.edu/?lang=en>

The on-line form must be filled out paying particular attention to the requisites and preferred qualifications indicated in this call for application. Filling out the on-line application form in an incomplete, approximate, or incorrect manner may lead to considering the applicant not eligible to performing the tests.

When filling out the on-line form, applicants will be requested to attach their CV. Applicants will be requested to issue a self-statement regarding their possession of the requisites listed in this call for applications.

IRCCS ISMETT declines any responsibility for non-delivery of communications due incorrect e-mail addresses provided by applicants upon submitting their on-line applications.

The deadline to submit the applications is **April 12, 2022**.

Please note that only applications submitted on-line will be taken into consideration (<https://selezioni.ismett.edu/?lang=en>).

Please note that selection records are confidential documents for internal use only, and may not be disclosed.

All applicants are obliged, at any time during the selection process, and if requested by IRCCS ISMETT, to provide the documentation certifying the stated possession of the requisites within the requested deadline.

Should any preliminary verification show a discrepancy with any statement of the applicant, the research fellowship will not be assigned.

IRCCS ISMETT reserves the right to revoke and/or invalid or definitively suspend this selection at any time, with no obligation to notify applicants, and with no right for applicants to raise any right or claim whatsoever.

IRCCS ISMETT reserves the right to use the list of eligible candidates for future training/research fellowships for similar projects during its period of validity.

Personal data included in the CV and any other information collected during the selection will be processed by IRCCS ISMETT and UPMC Italy in their role of joint controllers, for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary. Detailed information also with reference to data retention times and rights recognized under EU Regulation 2016/679 are available at <https://www.ismett.edu/en> in the "Work with us" section.
