As Project Manager, the selected candidate will work in the Facility Department and manage all aspects related to planning, implementation, and launching of UPMC's renovation and construction projects in Italy.

The ideal candidate possesses the following requisites:

- University degree in Architecture or Engineering (Master's degree preferred).
- Experience in the field of public projects.
- Experience in the field of health care.
- Enrollment in the Professional board of architects or engineers for at least five years.
- Documented experience in design and work public procurement projects pursuant to Italian Legislative Decree 50/2016.
- Fluent Italian and English, oral and written.

Strong relational and teamwork skills, precision, autonomy and proactivity, and a result-oriented approach are also instrumental to the role.

The workplace is **Palermo**.

UPMC Italy reserves the right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Compliance with mandatory vaccination for the prevention of SARS-CoV-2 infection referred to in art. 4 and 4-ter of Decree 44/2021 (without prejudice to unenforceability of the vaccination obligation resulting from a confirmed risk for personal health due to specific, documented clinical conditions reported by the general practitioner, in compliance with the memorandum issued by the Italian Ministry of Health on exemptions from the vaccine against SARS-CoV-2 obligation, as provided for by art. 4, para. 2, Decree-law 44/2021) is required to take part in this selection.

Only applicants not excluded under the provisions articulated Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

After reading the privacy statement and, if necessary, authorizing the processing of their personal data (EU Regulation 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it/?lang=en>. When filling out the on-line application form, applicants will be requested to attach their CV.

All communications from UPMC Italy will be e-mailed to the address stated by the candidate upon submitting his/her application.

The Company declines any responsibility for non-delivery of communications due incorrect e-mail addresses provided by applicants upon submitting their on-line applications.

The deadline to submit applications **is May 27, 2022**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Under penalty of exclusion, at the request of UPMC Italy at any time during the selection process and within the mandatory deadline, applicants must provide evidence of all qualifications stated in the on-line application. Should any preliminary verification show a discrepancy with any statement submitted by an applicant, the latter will be excluded from the selection process, and any negotiation permanently suspended.

Personal data included in the CVs will be processed by UPMC Italy in its role of data controller, for selections for this or other similar positions. Applicants are requested to not include sensitive data (e.g., on health status), unless strictly necessary.
