

UPMC Italy

is issuing a call for applications for the following position:

1 IT ERP Analyst (IT ERPA/22)

UPMC (University of Pittsburgh Medical Center) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S.A., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, Sicily, and Tuscany, UPMC Italy, the Italian division of UPMC, is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research. UPMC Italy is a dynamic and multicultural working environment integrated with dignity and respect. UPMC Italy provides opportunities for personal development, oriented towards continuous improvement and outstanding patient care.

The IT ERP Analyst supports the IT ERP Manager in overseeing and implementing applications assisting corporate administrative processes, with particular reference to supply chain accounting and procurement. He\she collaborates with Business Key Users in order to support administrative efficiency processes through digitization. The IT ERP Analyst provides first-level support to users with the routine use of corporate ERP modules, in addition to the IT tools in use. He\she manages and implements updates of existing applications and maintenance based on needs, costs and plans agreed with the ERP Manager.

The ideal candidate possesses the following requisites:

- University degree in a scientific, engineering, IT, economics or statistics field.
- Experience in developing or supporting ERP systems of at least 3 years;
- Knowledge of project management methodologies;
- Good SQL knowledge;
- Good knowledge of advanced reporting systems;
- Knowledge of Oracle ERP Fusion and/or Sap Business One or other ERP systems for large enterprises.

Other requisites: Proactivity, excellent listening skills and good stress management skills, problem solving skills and user support skills are also instrumental to the role.

The workplace is **Palermo**.

UPMC Italy reserves the right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Compliance with mandatory vaccination for the prevention of SARS-CoV-2 infection referred to in art. 4 and 4-ter of Decree 44/2021 (without prejudice to unenforceability of the vaccination obligation resulting from a confirmed risk for personal health due to specific, documented clinical conditions reported by the general practitioner, in compliance with the memorandum issued by the Italian Ministry of Health on exemptions from the vaccine

against SARS-CoV-2 obligation, as provided for by art. 4, para. 2, Decree-law 44/2021) is required to take part in this selection.

Only applicants not excluded under the provisions articulated Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), can participate in this selection.

After reading the privacy statement and, if necessary, authorizing the processing of their personal data (EU Regulation UE 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it/?lang=en>.

All communications from UPMC Italy will be emailed to the address stated by the candidates upon submitting the application.

The company declines any responsibility for non-delivery of communications due incorrect e-mail addresses provided by applicants upon submitting their on-line applications.

The deadline to submit applications is **October, 7 2022**.

Only applications submitted on-line (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.
