

Registered Nurse – Immigration Sponsorship and U.S. Residency

Are you looking to advance your nursing career by taking your talents abroad? Expand your nursing skills and immerse yourself in a new culture at UPMC – a world-renowned health care leader and the largest nongovernmental employer in Pennsylvania. UPMC is seeking registered nurses (RNs) to work directly in our hospitals, where you'll live and work in the United States as a Professional Staff Nurse in a variety of inpatient settings. With generous sign-on bonuses, housing and relocation assistance for you and your family, and support with sponsorship and payment for the permanent residency process, UPMC is here to help you get where you want to be.

Program Highlights

- Sign-on bonuses up to \$15,000 for RNs with at least one year of experience
- Live and work in the U.S. while working directly for our hospitals with long-term work opportunities
- Dedicated support throughout your relocation and employment process to the U.S., including obtaining any necessary certifications and immigration documents
- Financial coverage for costs including up to one month of housing and relocation
- Sponsorship and payment for the U.S. permanent residency process for you and your family
- Work hand-in-hand with a skilled team of providers while you gain experience in nationally recognized facilities
- Gain highly desirable skills while getting exposure to various specialties and state-of-the-art equipment
- Join a team of over 92,000 employees driving quality care across 40 hospitals and over 800 doctors' offices throughout Pennsylvania, New York, and Western Maryland

Position Responsibilities and Qualifications

- Demonstrated competence in professional nursing, with an understanding of culturally appropriate care
- Minimum of six months of RN experience; BSN preferred
- Must demonstrate written and oral/verbal fluency in English
- Prior to relocating, the candidate must pass the NCLEX Exam, CES Professional Certification, and VisaScreen, possess an active Pennsylvania, Maryland, or New York RN license, and be eligible for permanent U.S. residence
- Other requirements may apply, and support and resources will be provided to best assist candidates through these requirements
