

IRCCS ISMETT

is issuing a call for applications for the following position

Cardiologist – Cardiology Consultant for Personalized Medicine (Ref. Cardio ACMP/22)

IRCCS SMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) is a multi-organ transplant center and high-specialty hospital established by means of an international not-for-profit public-private partnership between the Region of Sicily, Ri.MED Foundation, and UPMC (University of Pittsburgh Medical Center), which is responsible for its operational management. The Italian Ministry of Health has acknowledged ISMETT as a government-approved research hospital or Istituto di Ricovero e Cura a Carattere Scientifico (IRCCS) in the area of “End-stage organ failure treatment and research”. IRCCS ISMETT is one of the few Joint Commission International (JCI) accredited hospitals in Italy since 2009, and one of only six Italian hospitals with EMRAM HIMSS Stage 6 certification.

Within the project ARS01_00345 "4Frailty: smart sensors and infrastructure for the safety of vulnerable individuals", the cardiologist manages the recruitment and follow-up of patients involved in the study.

Applicants must meet the requisites and preferred qualifications of this call when filing the application and state them in the on line form.

Requisites:

- Degree in Medicine and Surgery recognized in Italy, or equivalent title.
- Postgraduate diploma in Cardiology recognized in Italy, or equivalent title.
- Enrollment in the professional board.
- At least three years of documented experience in a heart failure unit and clinical management of patients with advanced heart failure listed for heart transplant.
- Compliance with mandatory vaccination for the prevention of SARS-CoV-2 infection referred to in art. 4 and 4-ter of Decree 44/2021 (without prejudice to unenforceability of the vaccination obligation resulting from a confirmed risk for personal health due to specific, documented clinical conditions reported by the general practitioner, in compliance with the memorandum issued by the Italian Ministry of Health on exemptions from the vaccine against SARS-CoV-2 obligation, as provided for by art. 4, para. 2, Decree-law 44/2021)..

Preferred qualifications:

- Documented experience in clinical or translational research projects.
- Scientific publications (scientific production evaluated with H Index).
- Doctorate degree in the cardiology field.

Experience in clinical research trials, English proficiency, knowledge of main IT applications, strong motivation, flexibility, stress management, problem-solving skills, and good communication and teamwork skills are also instrumental to the role.

The workplace is **Palermo**.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments can participate in this selection (General Rules Governing the Work of Public Administrations).

Information concerning this selection will be notified to candidates through the official website in the "Work with us" section (www.ismett.edu).

The date and location of the tests will be published on the above mentioned website. Applicants will be expected to access this information from the above-mentioned website.

IRCCS ISMETT reserves its right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

After reading the privacy statement and, if necessary, authorizing the processing of their personal data (EU Regulation UE 2016/679), applicants of both sexes (Law 903/77) are requested to fill out the on line application form available at <http://selezioni.ismett.edu>.

The on line form must be filled out paying particular attention to the requisites and preferred qualifications indicated in this call for application. Filling out the on line application form in an incomplete, approximate, or incorrect manner may lead to considering the applicant not eligible to perform the tests.

When filling out the on line form, applicants will be requested to attach their CV. Applicants will be requested to issue a self-statement regarding their possession of the requisites listed in this call for applications.

IRCCS ISMETT declines any responsibility for non-delivery of communications due incorrect e-mail addresses provided by applicants upon submitting their on-line applications.

Applicants shall not include any certified electronic mail addresses in the "Email" field of the on line form, but only email addresses. Failure to include email addresses in this field will result in the inability to deliver communications related to the selection process.

The deadline to submit the applications is **November 3, 2022**.

Please note that only applications submitted on line will be taken into consideration (<https://selezioni.ismett.edu/?lang=en>).

Please note that selection records are confidential documents for internal use only, and may not be disclosed.

All applicants commit, at any time during the selection process, and if requested by IRCCS ISMETT, to provide the documentation certifying the stated possession of the requisites within the requested deadline.

Should any preliminary verification show a discrepancy with any statement submitted by an applicant, the latter will be excluded from the selection process, and any negotiation permanently suspended.

IRCCS ISMETT reserves the right to revoke and/or invalid or definitively suspend this selection at any time, with no obligation to notify applicants, and with no right for applicants to raise any right or claim whatsoever.
