

UPMC Italy

is issuing a call for applications for the following position:

Pathology Fellow (Ref. FellowAnatPat/23)

[UPMC](#) (University of Pittsburgh Medical Center) is a world-renowned healthcare and research enterprise headquartered in Pittsburgh, Pennsylvania, U.S.A., inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, and Sicily, [UPMC Italy](#), the Italian division of UPMC, is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy offers professional opportunities in an international and multicultural setting at IRCCS ISMETT (Istituto Mediterraneo per i Trapianti e Terapie ad Alta Specializzazione) – <https://www.ismett.edu/it/> – one of the most innovative and technological Italian healthcare facilities, managed by UPMC in partnership with the Azienda Ospedaliera Civico and the Ri.MED Foundation – <http://www.fondazionerimed.eu>.

UPMC Italy is a dynamic and multicultural working environment integrated with dignity and respect. UPMC Italy provides opportunities for personal development, oriented towards continuous improvement and outstanding patient care. According to Italian Legislative decree 198/2006, this call is open to all people of any gender identity or expression, sexual orientation, age, ethnicity, religious belief, and physical capacity. This call was designed according to our values of dignity and respect: UPMC Italy is committed to overcoming obstacles and prejudices, creating an accessible, welcoming, and inclusive work environment.

ISMETT offers young specialized physicians/postgraduate students in Pathology the opportunity to enhance their training in a center of excellence where they will join a highly qualified and welcoming team.

The profile of the ideal candidate:

- Degree in Medicine and Surgery or equivalent title (recognized in Italy).
- Postgraduate diploma in Anatomy and Histopathology or equivalent title already obtained, or enrollment in the final or penultimate year of the postgraduate course.
- Enrollment in the professional board.
- Scientific production rated with the H-index.
- Excellent knowledge of English.
- Flexibility and availability to be on-call during nights and holidays.

Other requisites: excellent analytical skills, motivated and self-starting, adaptive to change, and with flexibility, excellent time management and teamwork skills, and aptitude for multidisciplinary approach.

The contract offered will be commensurate with the experience and skills of the selected candidate.

Workplace: **Palermo**.

UPMC Italy reserves the right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Only applications compliant with the provisions of Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments (General Rules Governing the Work of Public Administrations), will be taken into consideration.

After reading the privacy statement and, if necessary, authorizing the processing of their personal data [Regulation (EU) 2016/679], applicants (Law 903/77) are requested to fill out the online application form available at <http://selezioni.upmcitaly.it> specifying the reference code. When filling out the online application form, applicants will be requested to attach their CV.

All communications from UPMC Italy will be emailed to the address stated by candidates upon submitting their application. Applicants are requested NOT to include certified electronic mail addresses (PEC) in the "Email" field of the online form, but standard email addresses only.

UPMC Italy declines any responsibility for non-delivery of communications due to incorrect email addresses provided by candidates when submitting their applications.

The deadline to submit applications is **8 May 2023**.

Only applications submitted online (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Our Values

At UPMC we are driven by shared values that guide our work and make us accountable for each other. Our values (Quality & Safety, Dignity & Respect, Listening & Care, Responsibility & Integrity, Excellence & Innovation) play a key role in creating a positive experience for our people, our patients and our community.
