The Intensive Connection

Dear Colleagues,

Welcome to the first multidisciplinary training event organized in collaboration with the European Society of Intensive Care Medicine (ESICM).

The project was designed to promote professional training, focusing on state-of-the-art critical patient management. Clinical and management topics will be addressed adopting a multimodal and multidisciplinary approach.

This two-day conference will host national and international speakers selected in collaboration with ESICM.

Active participation will be granted with workshops, round tables, and open debates. Common clinical scenarios will be reproduced sharing videos and simulations, in what we expect to be a positive learning experience.

We look forward to seeing you and we wish you a pleasant stay in Palermo.

The Scientific Directors

Scientific Directors:

Antonio Arcadipane, Anesthesiology and Intensive Care, IRCCS ISMETT-UPMC,
Giovanna Panarello, Anesthesiology and Intensive Care, IRCCS ISMETT-UPMC,
Giuseppe Arena, CNO, IRCCS ISMETT-UPMC,
Elena Conoscenti, Infection Control Service, IRCCS ISMETT-UPMC/Elected N&AHP ESICM
Gennaro Martucci, Anesthesiology and Intensive Care, IRCCS ISMETT-UPMC
Danilo Terzo, Rehabilitation Service, IRCCS ISMETT-UPMC

Scientific Committee:

Antonio Arcadipane; Elena Conoscenti; Giuseppe Chiamonte; Gennaro De Pascale;
Katerina Iliopoulou; Gennaro Martucci; Antonio Messina; Giovanna Panarello; Danilo Terzo.

Target Audience:

Anesthesiologists, N&AHP (Nurses & Allied Healthcare Professionals).

Goals of the course:

The course is designed to advance inter-professional learning on current critical care topics by specialists from ESICM and IRCCS ISMETT-UPMC.

- a.** Enhance collaboration and inter-professional networking between the Italian critical care team and ESICM in the Italian context.
- b.** Replicate similar educational events in other European contexts.

Structure of the course:

- Where: Best Western Ai Cavalieri Hotel, Italy
- Teaching and learning methods: tutorials, workshops, simulation (decision-making workshops based on scenarios to build up confidence and critical thinking skills of clinicians)
- Official language: Italian (Interpretation provided by UPMC Italy Language Services for English speakers)

PROGRAM

FRIDAY June 9th	Topic	Mode of delivery	Venue-room	Rationale
12:45-1.20 p.m	Registration			
1:20-1:30 p.m	Authority Greetings and Opening Remarks: Angelo Luca; Giuseppe Arena		Auditorium	
Moderator Giuseppe Arena				
1:30-1:40 p.m	TOGETHER WE ARE ICM Speaker: Ruth Kleinpell		Auditorium	Introducing ESICM and Intensive Care Medicine
1:40-1:55 p.m	The alliance between physicians, nurses, and physiotherapists: the pillar for sustainable critical care Speaker: Antonio Arcadipane	Oral presentation 15 min	Auditorium	Sustainability of Healthcare: hypothesis or dream?
Moderators: Elena Conoscenti - Rosario Lombardo				
2:00-2:20 p.m	Understand the factors that influence implementation of infection control and prevention practices. Speaker: Katerina Iliopoulou	Oral presentation 10 min + 10 guided discussion	Auditorium	Translating research into practice and evaluating the implemented measures
2:20-2:40 p.m	Topic: Implementing quality improvement initiative in infection prevention Speaker: Stijn Blot	Oral presentation 10 min + 10 guided discussion	Auditorium	Understanding the impact of a multidisciplinary approach
2:40- 3:00 p.m	Infection control model-donor derived infection surveillance Speakers: Ornella Campanella; Giovanna Panarello	Oral presentation 10 min + 10 guided discussion	Auditorium	Follow the donor, save the recipient. An active surveillance program based on a multidisciplinary approach that saves lives

3.00-3:15 p.m	Management of central venous access: the basics Speakers: Cristina Taraschi	Oral Presentation 15 min	Auditorium	Introducing to Central Lines
3:15-3:45 p.m	COFFEE BREAK			
In series session: each participant will participate in 2 topics (30 min per session)				
3:45-5.00 p.m	Topic 1: Cohorting in a hospital setting. Isolation measures Speakers: Ornella Campanella; Katerina Iliopoulou		Parallel session	Case scenarios and discussion
Moderator: Elena Conoscenti				
	Topic 2: Catheter-related bloodstream infection prevention Speakers: Cristina Taraschi; Ella Domanskaya	Topic 1 Topic 2 Topic 3 Topic 4 2 rounding group		Station with devises role-playing
Moderator: Rosario Lombardo				
	Topic 3: VAE prevention. The respiratory therapist's role Speakers: Alessia Ippolito; Paolo Paratore			Practical session on VAE prevention for dummies
Moderator: Fabio Crecco				
	Topic 4: Oral care and ventilator-associated events VAE Speakers: Giovanni Zaccone; Stijn Blot			Round table Pros and cons of chlorhexidine mouthwash. Preventing VAE
Moderator: Alessandro Galazzi				
30 min	Break			

In series session: each participant will participate in 2 topics (30 min per session)				
5.30-6.30 p.m	Topic 1: Hemodynamic monitoring for N&AHP Speakers: Antonio Messina; Filippo Marchese	Oral presentation 20 min + 10 min Q&A	Auditorium	Understanding abnormal values
Moderator: Ella Domanskaya				
	Topic 2: Parenteral/enteral nutrition, monitoring/infusion pump management Speaker: Giovanni Zaccone; Gianfranco Episcopo	Oral presentation 20min +10 min guided discussion	Parallel session	Managing infusion pumps. Indications/risks and nursing care
Moderator: Rosario Lombardo				
	Topic 3: Interdisciplinary collaboration of difficult airways management Speakers: Giuseppe Chiaramonte; Alessandro Picone	Oral presentation 10min + 15 min Case scenarios	Parallel session	Difficult airways response team
Moderator: Ippolito Alessia				
	Topic 4: Promoting Patient and Family Centered care in the ICU Speaker: Ruth Kleinpell	Oral presentation 10min + 15 min Interactive session		Promoting Family Engagement in the ICU:Experience from a National Collaborative of 63 ICUs
Moderator: Katerina Iliopoulou				
6.30-7.00 p.m	“JAMA” Just Ask Me Anything Meeting the Patient Facilitator: Silvia Andretti, Journalist	Meeting the patients	Cafeteria	How a successful interdisciplinary team impacts patient outcome
7:00-9:30 p.m	End of Scientific Session		Cafeteria	Patient’s band playing

SATURDAY June 10th	Topic	Mode of delivery	Venue-room	Rationale
8:10-8:30 a.m	Summary of the day	Elena Conoscenti	Auditorium	
Moderator: Giovanni Zaccone				
8:30-8:50 a.m	Improving the ICU experience: What can you do? Speaker: Jos Latour (virtual)	Virtual Oral presentation 10 min + 10 min guided discussion	Auditorium	Different perspectives
Moderator: Filippo Marchese				
8:50-9:10 a.m	Managing ventilated patients in the ICU Speaker: Marco Giani	Oral presentation 10 min + 10 min guided discussion		N&AHP and physician managing ventilated patients
In series session: each participant will participate in 2 topics (30 min per session)				
9:15-10:15 a.m	Topic 5: Introducing chest ultrasound in ICU Speakers: Giovanni Lino Fabio Crecco		Parallel Session	Live-demonstration session for ultrasound practice (healthy patient) plus videos from “real” patients
Moderator: Giovanna Panarello				
	Topic 6: Patient Ventilator Asynchrony Speakers: Marco Giani Alessia Ippolito	Topic 5 Topic 6 Topic 7 Topic 8 2 rounding group		Practical session plus video and ventilator asynchrony
Moderator: Paolo Paratore				
	Topic 7: ECMO indications and the basics of the circuit Speakers: Gennaro Martucci Velia Marta Antonini			Oral Presentation basics of ECMO indications, 20 min +10min Q&A
Moderator: Gennaro Martucci				

Moderator: Ornella Campanella	Topic 8: Antimicrobial Stewardship Practical guidance: the AIRSPACE application Speakers: Gennaro De Pascale; Elena Conoscenti			The benefit of AIRSPACE into clinical practice 10 minutes presentation +20 minutes AIRPLACE APPLICATION
10:15-10:35 a.m Coffee Break				
Moderator: Katerina Iliopoulou				
10:40-11:10 a.m	Topic: The role of education in promoting sustainability in the ICU Speakers: Heather Baid (Virtual) Giuseppe Arena Antonio Arcadipane Giovanna Panarello	10 min presentation Heather Baid + 20 min. open debate	Auditorium plus zoom with Heather Baid	ICU and sustainability how can N&AHP promote projects
In series session: each participant will participate in 2 topics (30 min per session)				
11:15-12:15 p.m	Topic 1: The PICC line hands on Facilitators: Cristina Taraschi, Rosario Lombardo		Parallel Session	Hands-on workshop with turkey demo
Moderator: Giovanni Lino	Topic 2: Hemodinamics. Monitoring for dummies Speakers: Antonio Messina; Filippo Marchese			Hands-on workshop
Moderator: Gianfranco Episcopo	Topic 3: Infection prevention on patients with ECMO Speaker: Giovanna Panarello; Giovanni Zaccone	Topic 1 Topic 2 Topic 3 Topic 4 2 rounding group		Preventing infections in ECMO patients
Moderator: Ornella Campanella	Topic 4: Early mobilization in ICU. Journey to fast recovery. The nurse and physical therapist together Speaker: Giuseppe Enea; Alessandro Galazzi			10 minutes presentation/ 4 videos and discussion
Moderator: Danilo Terzo				

12:20-1:30 p.m LIGHT LUNCH				
Moderator: Gennaro Martucci				
1:35-2:05 p.m	Topic: Social Media and critical care Speaker: Velia Marta Antonini	Oral Presentation 20 min + 10 min Q&A	Auditorium	Practical samples on how to use social to promote ICU results
In series session: each participant will participate in 2 topics (30 min per session)				
2:10-3:10 p.m	Topic 1: Monitoring ECMO Speaker: Velia Marta Antonini	Topic 1 Topic 2 Topic 3 Topic 4 2 rounding group	Auditorium	Monitoring ECMO patients
Moderator: Gennario Martucci	Topic 2: We are opening a new ICU, The GREEN-ICU Speakers: Heather Baid Katerina Iliopoulou			TBC case scenarios Gloves project
Moderator: Ella Domanskaja	Topic 3: Mechanical ventilation weaning protocols Speakers: Gennaro De Pascale, Alessia Ippolito			Round table
Moderator: Filippo Marchese	Topic 4: Support devices for the physiotherapist in the rehabilitation of the critically ill patient Speakers: Giuseppe Enea			Hands on workshop with support devices and videos
Moderator: Alessandro Galazzi				
3:40-4:00 p.m	Closing remarks Elena Conoscenti Katerina Iliopoulou Danilo Terzo		Auditorium

How to register

Registration is free of charge and compulsory on a first come, first served basis. The deadline to register is JUNE 5, 2023. Please visit www.borgimedia.com/EDU and click on the event poster, then on "Iscriviti" and follow the procedure to register on the CME platform. You will receive a confirmation email. Save your username and password. You will need these credentials for your CME test. After registration, the organizational secretariat will forward you an automatic confirmation email.

Your registration includes:

- Participation to the event
- Certificate of attendance
- CME certificate (after passing the test)
- Event kit
- Coffee break and lunch, according to program

REGISTRATION TO "IN SERIES SESSIONS"

Participation in at least two of the topics of each "In Series Sessions" is mandatory. During your on-site registration, you will communicate to the staff the topic you wish to attend on a first come, first served basis. The organizational secretariat will inform you of the availability and register you accordingly.

CME TEST

Two hours after the end of the workshop, and for the next 72 hours, participants who have totaled 100% of attendance hours (information recorded by our staff by checking the entry/exit signatures) will have access to the CME test.

The CME test will be conducted online. All information will be provided on site.

HOW TO ACCESS YOUR CME TEST

Connect to www.borgimedia.com, click on the event poster, then on "Accedi al test ECM", login with your USERNAME and PASSWORD, complete the satisfaction questionnaire, and then fill out the CME test. To pass the CME test, you must answer 75% of the questions correctly. After passing the test (1 attempt only), your CME certificate will be available in your reserved area.
