

UPMC Italy

is issuing a call for applications for the following **no-term** position:

1 IT System Analyst (Ref. ITAN/23)

[UPMC](#) (University of Pittsburgh Medical Center) is a world-renowned health care and research enterprise headquartered in Pittsburgh, Pennsylvania, USA, inventing new models of patient-centered, cost-effective, accountable care.

With facilities in Campania, Lazio, and Sicily, [UPMC Italy](#), the Italian division of UPMC, is a leader in patient care, biomedical research, telemedicine, IT development and consulting services in areas related to medicine and research.

UPMC Italy is a dynamic and multicultural working environment integrated with dignity and respect. ISMETT provides opportunities for personal development, oriented towards continuous improvement and outstanding patient care.

Under the supervision of the Chief Information Officer of UPMC Italy, the System Analyst will implement system projects having identified the needs of the requesting parties and ensuring their execution in line with the according deadlines and budget.

He or she will also be responsible for UPMC Italy's strategic planning developing new IT solutions for business initiatives and project management.

The ideal candidate possesses:

- University degree (previous university regulations) or second level university degree (new regulations) in a computer, engineering or business management field.
- At least three years of experience as a system analyst in healthcare.
- Master's degree on topics related to the position.
- Experience in project management, ERP systems, clinical systems (EMR, RIS/PACS, LIS, CIS, etc.), business intelligence, and administrative systems.
- Excellent knowledge of English.
- Experience in a clinical/hospital setting.

Complete the profile: Excellent problem solving, team working, and critical thinking skills, , confidentiality. Stress management, emergency management, flexibility, and communication and organizational skills complete the profile.

Workplace: **Rome**.

UPMC Italy reserves the right of discretion to the fullest extent permitted by law in assessing applicants and the eligibility of their applications.

Only applicants not excluded under the provisions articulated in Legislative decree 165/2001, art. 53, para. 16-ter, and subsequent modifications and amendments can participate in this selection (General Rules Governing the Work of Public Administrations).

After reading the privacy statement and, if necessary, authorizing the processing of their personal data [EU Regulation EU 2016/679], applicants (Law 903/77) are requested to fill out the on-line application form available at <http://selezioni.upmcitaly.it/?lang=en>.

All communications from UPMC Italy will be emailed to the address stated by candidates upon submitting their application.

UPMC Italy declines any responsibility for non-delivery of communications due to incorrect email addresses provided by candidates when submitting their applications.

The deadline to submit applications is **17 September 2023**.

Only applications submitted online (<http://selezioni.upmcitaly.it/?lang=en>) with an attached CV will be taken into consideration.

Our Values

At UPMC we are driven by shared values that guide our work and make us accountable for each other. Our values (Quality & Safety, Dignity & Respect, Listening & Care, Responsibility & Integrity, Excellence & Innovation) play a key role in creating a positive experience for our people, our patients and our community.
